October 1, 2018

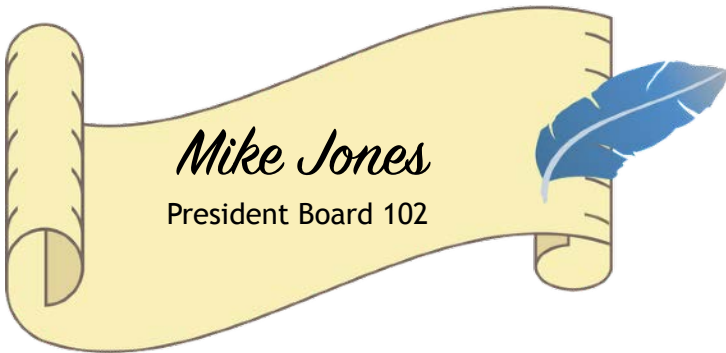

Greetings to All NRC Members and Graduates,

Last month, I said “It’s hard to believe that summer is almost over.” As I write this it’s hard to believe that my term as President is almost over. The last six months have flown by and I’ve had a blast - no pun intended about the many email blasts I’ve sent out about the happenings of the NRC. As President, the opportunity to get acquainted with so many members from different small groups has been the best part of the job.

I want to thank the members of Board 102 for a job well done. It’s been a pleasure to work with each of you, you made my job easy. We’ve had several major accomplishments including the launch of a new look website. Hopefully everyone has had a chance to check it out by now.

Let me assure you that the club is in good hands going forward. Board 103 is well positioned to lead the club. However, you’re not quite through with me yet as I will remain on the Board as an advisor.

Finally, thanks to all current members and graduates for supporting NRC, making our club the place to meet and greet newcomers to the Cape.

Judy Ingrasin Morris came back from Amsterdam and New York in time to join her significant other (husband Denny, who recently celebrated his birthday) for the August dance! Jan and Tom Stevens Nordquist have been in OH at Indian Lake and are leaving Tuesday for Iceland and the Baltic Sea countries. Tom is from WI and very Danish/Swedish. His dream vacation!

We had a delightful Labor Day Party at Pete and Julie's home. The weather may not have been perfect, but the company was. Julie has a new pup, Joey, who is a 24/7 party all by himself.

Coming back from the soon to be cold and dreary North: Drew and BJ Surovjak!

Rock The Boat

March/April 2017
Reporter - Scott Cruzen

Rock-the-Boaters have been braving the summer heat and enjoying all that life in the Cape has to offer. The jewelry-making parties mentioned last month have continued, and the Rock-the-Boat ladies have made so many necklaces and bracelets that they're starting to look like hard-core Mardi Gras party girls.

Rock-the-Boaters have traveled out of town to attend weddings, visit friends and family, and enjoy anniversary celebrations.

So far all of them have actually come back, despite the heat.

We couldn't call ourselves Rock-the-Boat if we didn't get out on the water and do some boating! There have been a number of boat excursions out in the Gulf, despite the red tide issues, and it's actually been quite nice recently, with none of the dead sea life that was present earlier in the summer. We're all looking forward to the cooler weather that, rumor has it, will eventually return.

Dancing Dolphins

Reporter - Corinne Rinaldi

Dancing Dolphins have been busy. Birthdays were celebrated at Salty Papas and the ladies enjoyed lunch at Wisterias. Cori needs to learn GPS! Diana and Smitty are enjoying their new pool. Party time! Bruce Roberts has completed his Police Volunteer training and is now on the road helping our community.

Several couples enjoyed a Sunset Cruise, while Lena is enjoying Trivial Pursuit with friends. Best wishes to Rob as he continues to recover after surgery.

Seas the Days

Some of our member Snowbirds are away and will be trickling back to Florida soon! We had a cocktail hour or two for our group on Sept. 4th at Fins Seafood and Dive Bar; there were 10 of us and we had a great time eating dinner and drinking some refreshing drinks. We were able to sit outside and the light rain that was falling felt rather good, making a cool breeze coming in. Hopefully, we can plan a monthly get together for cocktails!

We finally were able to get our mini golf game in on September 15th, no rain, but hot as ----. We went from hole to hole finding the shade. The six of us, (Nancy, Frank, Mary Jane, Bruce, Vicky and Phil), brave, heat loving people then went to Stevie Tomatoes for drinks and dinner. The beer drinkers in the group ordered the new Yuengling Oktoberfest beer. Yummy! (you can tell I was one of them!).

We have our next potluck at the Bertel's house on Sept 25th and after that will be at the home of Vicky and Roger Bowe with the theme of Oktoberfest. We have our next potluck at the Bertel's house on September 25th" (featuring a Key West theme.)

Galloping Geckos

November 2017
Reporter - Bunny McGee

Activities continued at a slower pace during August while some members are still vacationing. Geckos are learning to play Mahjong and how to country line dance, and it's never too hot for golf! We had great food and fun at Pinchers and again at a dinner at Saigon Paris Bistro in Ft. Myers. Although the weather was soggy, the Labor Day celebration at Mary and Terrell's home was not dampened--with swimming, games, conversation, good food and laughs galore.

We are very happy to welcome home Mike and Cindy Wasilak as full-time Cape Coral residents.

Our Pickleball group is "shrinking" due mainly to the snowbirds that have left town, but also due to the hot weather. We do still try to play when we can. Our best suggestion is to use the Pickleball email list (please contact me if you'd like me to put your name and contact information on it or if you need another copy) and use it to schedule individual games at times that suit those who want to play.

September brought us together for a great potluck at Rick and Susan's home. Besides the fabulous dishes and delicious brisket, Susan had us all playing a trivia game about how much we all knew about the state. As it turned out not much! The winner had only five correct answers. And second and third tied with two correct answers. Good prizes for those winners, however!

October 13th Ohio State football vs Minnesota. We are gathering at the Big Ten Tavern with our NRC Minnesota gang. Friendly competition, drinks, food, and laughs are on the menu. As soon as NCAA announces game time, it will be emailed to you. Save the date!!

Summer Daze in the Cape

Welcoming Newcomers for 50 Years

Welcome to Cape Coral, your own Slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give new-comers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 51st year.

Membership is open to anyone who has resided in Cape Coral for three years or less. If you've been here longer than that, you can still join the NRC, since each year there is an opportunity for "open enrollment" for all residents, regard-less of length of residency.

The three-year membership fee is \$45 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities and participates in events held by the NRC as a whole.

After three years of NRC membership, you will "matriculate" with your group to become a graduate member. You are still in the NRC and, as graduates, strongly encouraged to continue to attend all NRC meetings, activities, and events, as well as continuing your group activities with other Club members.

The NRC holds a general meeting at 9:15am on the first Tuesday of each month at the Yacht Club

Please join us at the general meeting for coffee and a light snack, and get acquainted with the most dynamic social group in the Cape.

We welcome you!
