Greetings to All NRC and Lifetime Members

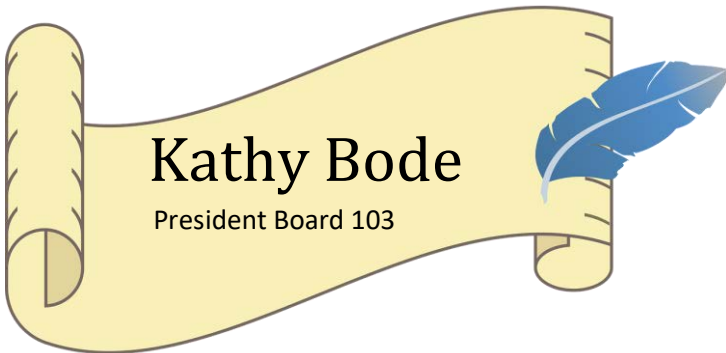

Well the holidays are finally upon us. As I get older it seems like time seems to fly by. I often think about when I was a child how time used to drag until I could finally open those presents under the tree.

Now living here in Cape Coral, I can't think of any material thing that I need. I have sunshine (most of the time) warm weather, a wonderful family and great friends that I have met through the NRC.

This time of year, it really is time to reflect and think about those who aren't as fortunate. Over the last two years that I have been a member of the NRC, I have noticed the generous spirit our members show towards the Caring Center, Toys for Tots and each other. For that I want to thank each and every one of you.

Enjoy your holidays. If you are leaving the Cape, travel safely.

As always, please feel free to forward any ideas you have to me at [nrc.pres@gmail.com](mailto:nrc.pres@gmail.com).

## General Membership Meeting Minutes November 2018

### New Resident Club of Cape Coral Monthly Minutes November 6, 2018

Kathy Bode, President of Board 103 called the meeting to order at 09:16 a.m. The meeting began with the Pledge of Allegiance led by Mike Wasilak, a Vietnam Veteran.

Kathy Bode introduced herself as President of Board 103 and provided the membership her background. She is a graduate of the University of Minnesota with a degree in social work. She worked in adult probation and changed careers to IT. She retired in 2011 as the Chief Information Officer for the Department of Transportation for the State of Minnesota.

The President welcomed all attendees including the new members. She thanked her group, the Getgoes for supporting her at her first meeting.

The President introduced the first guest speaker, City Manager John Szerlag.

Mr. Szerlag gave detailed information about the city's growth including mentioning that we are now the ninth largest city (by population) in the state bypassing Tallahassee. Because the city is a pre-platted community, one of the biggest challenges is to raise the percentage of commercial and industrial companies to offset the residential tax base.

Other facts he shared included:

- The financial status of the city is now stable and sustainable
- The current budget is \$800M per year
- The city maintains 3000 lane miles of streets
- The city has increased the number of streetlights focusing on school bus stops and common crash sites
- Seventh best place to retire in Florida
- Cape Coral has a 311 system for non-emergency inquiries
- Cape Coral has a volunteer committee to train city volunteers
- On the Move newsletter mailed to each residence monthly

Mr. Szerlag identified the following challenges for the city:

- Water quality
- City is waiting for \$20M reimbursement from FEMA for damage associated with Hurricane Irma.
- Maintaining competitive tax rates on residential property

Mr. Szerlag discussed the following projects currently ongoing:

- Utility expansion program \$400M
- Seven Islands project, proposed groundbreaking 2019
- 47<sup>th</sup> Terrace to be completed before the end of the year
- A major revision of the City Codes is in progress. Mr. Szerlag stated that this will be on the City Council's meeting agenda scheduled on November 26.

Mr. Szerlag then introduced Vincent Cautero, Community Development Director who gave an overview of the development plans for the Bimini Basin. Vincent discussed the proposed mooring field ordinance and the plan to further develop the basin.

Both presentations were followed by a short question and answer sessions.

Secretary Report: JoEllen Jones asked membership to review the October minutes. Copies were made available on each table. Minutes were accepted.

Treasurers Report: Fred Pieciewicz presented the October financial report. The report was accepted.

See Newsletter for details.

Activities: All Chairpersons gave their monthly report on activities and updates. See Newsletter for details.

Toys for Tots: Rick Robison thanked the members for bringing toys to their potlucks. Rick informed the membership that collection boxes will be at the next meeting or you can call him to arrange for a pickup.

Turkey Drive for the Caring Center: Kathy and Bob Bode will be at the Yacht Club parking lot on November 13<sup>th</sup> from 9:00 to 10:30 to collect your donation of a frozen turkey or \$10 Publix gift certificate.

New Member Introductions: Kathie Chaney welcomed the new members, invited them to the new members social and reminded them to report to the fountain after the meeting for a group picture.

The business portion of the meeting adjourned at 10:29.

The raffle was held.

Respectfully submitted,

*JoEllen Jones*

The summer months have come  
and gone. The Sunsetter's family  
is slowly coming back together. It  
is true, absence makes the heart

grow fonder. Thank you to Ken  
and Kathy Kaleta for once again  
letting us invade your lovely  
home for our November pot luck.  
We enjoyed cocktails and dinner  
at Salty Papa's; best shrimp  
house in Cape Coral! Many of us  
were not getting together with  
relatives for Thanksgiving so we  
celebrated together at the  
Heiser's. Mike Burbank cooks a  
fantastic turkey!

Happy 49th anniversary to Jim &  
Sandi Biel.

A belated happy birthday to Jim  
Biel, Judy Heiser, Terry Stevens,  
Tracy Crawford, and Dale Posl.

Don't forget you can catch up on  
all the Sunsetters activities by  
logging on to our Facebook

## Rock The Boat

March/April 2017

Reporter - Scott Cruzen

The Rock the Boat crew continues to enjoy the Cape Coral lifestyle, frequently getting together for cocktails, meals, and just for the heck of it. Boating has been great with the cooler weather setting in too. With the holiday season approaching (is anybody else tired of Christmas music already?) many of us will be visiting with family. In what is starting to become a bit of a RTB tradition, we will be getting together for a pre-Thanksgiving dinner on the Wednesday before the holiday, followed by the actual Thanksgiving group dinner on Thursday, followed by a weekend of laying about like beached whales recovering from tryptophan poisoning.

## Seas the Days

September/October 2017

Reporter - Nancy Finnegan

Our members have been busy traveling, buying boats, kayaking and planning. The last potluck at the home of Linda and Phil Manes was a great success. Everyone wore their favorite team sportswear. They made Italian Beef and Sausage in the Crock and had drinks on ice. They also collected Toys for Tots at their house to donate this year. The next potluck will be at the home of Peggy and Howie Loyson on December 7th. Fun times are brewing on the Seas for the Seas the Days members.

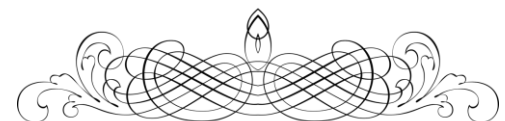

## Cape Corruptibles

We had our November potluck at Judy's house. 21 members were there. We had lots of good food, laughter & conversation. We are trying to get a basket together for the auction.

## Galloping Geckos

November 2017

Reporter - Bunny McGee

Mary Juza and Terrell Ott once again opened their home to us for a potluck dinner in October and it did not rain this time! We had a great time in and by the pool. Bunny and Joe McGee hosted the November potluck celebrating the first anniversary of the Galloping Geckos. A large crowd attended and we were happy to see and welcome back to Cape Coral Ray and Kathy Roy, Duane and Debra Crisp, Connie and Dennis Leopold, and Dan and Alisa Perrine. We had great food and conversation, and everyone generously contributed toys for the Toys for Tots collection and food for those in need. Thanks to Rick Robison for promptly arranging to pick up the donations.

Bill and Collen Carty and Mary Juza and Terrell Ott enjoyed the NRC's "sugar tour," and several couples made an overnight trip to Key West. Plans are underway for a group trip to Key West next Spring as well as several day trips to explore southwest Florida attractions.

Our snowbirds are starting to migrate back to town. They are rejoining our group. A group of us are playing in a euchre tournament, and morning pickleball again.

Our group met for our monthly potluck at Karen Brown's lovely

home on 11/17/18. We all had a wonderful time.

Quite a few of our ladies also attended the Ladies Luncheon on November 15<sup>th</sup>.

On Mondays, a group of us get together for a round of golf and a couple of cold ones at the 19<sup>th</sup> hole. We play all local courses in Ft Myers and Cape Coral.

Bev Kramer organizes our Monday outing. This would be good for beginners as well as those who only play nine holes. Her email is listed above, or you can contact me to get on the list for other golfing adventures at [frankrado51@gmail.com](mailto:frankrado51@gmail.com).

We will play Monday, Tuesday and Thursday mornings at 8:30 a.m. at Camelot. Please keep in mind that this is an NRC event. These are scheduled times for those who want to play together, however, there is no guarantee that people will show up, especially early in the season.

There are no lessons and people are at different levels of play. I personally learned from watching You Tube videos.

If any questions, please contact Sue Jackson.

Here are a couple of places to rent Kayaks that people in the group have used.

- Carmen's Kayaks – 239-333-7332. Carmen will drop it off and pick it up at the site. Carmen said that she drops them off at several places and even does guided tours.

- Gulf Coast Kayak on Pine Island Rd. They have done some events for NRC in the past.

If you want to have your information added to the mailing list, contact Robert Pruiett by email at: [rjpruiett.nrc@gmail.com](mailto:rjpruiett.nrc@gmail.com). As always, I am just the keeper of the list. If you want to go out kayaking, use this list and invite people. We all love to kayak so just ask.

# What's Happening in the Cape

## Welcoming Newcomers for 50 Years

### Welcome to Cape Coral, your own Slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 51st year.

Are you a longtime resident of Cape Coral? If so, you can still join NRC. Every September is "open enrollment" for all residents, regardless of length of residency.

The three-year membership fee is \$60 per person and \$120 per couple.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities and participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of NRC. You are strongly encouraged to continue attending NRC meetings, dances, activities and participating in your group pot-lucks.

The NRC holds a general meeting at 9:15 a.m. on the first Tuesday of each month at the Yacht Club

Please join us at the general meeting for coffee and a light snack and get acquainted with the most dynamic social group in the Cape.

We welcome you!
