**April 9, 2020**

This is the last note from me before the new board takes over at our May meeting. I truly enjoyed being the president of the club and hope to continue helping out when I can. While I was in college I had a professor that told our class "You always stop the fun when you are having the most of it". I thought this was an interesting statement but she then let us know that doing this ensures everyone has a great time and nobody begins to get tired. I'm thinking this is why we have 6 month terms for our board and being the president you serve once. I had a very wonderful time being the president and don't regret any of my presidency. I've met so many wonderful people and had a very great connection with the ones I already knew. Serving on the board is very rewarding and as I move back amongst the members I hope that those who can still vote and serve will do so and enjoy all the wonderful experiences by serving. There are always stones in your path to slow you down or bring you down but as I experienced all of those stones in my way, I would sometimes sit on a large one, ponder my decisions and move forward from there. Sometimes the biggest challenges give you the greatest rewards. I feel very rewarded by all that has happened even in these tough times. I want to thank the current board and the many helpers that worked alongside the board members to give everyone a wonderful experience at our meetings, dances and activities organized by the club. I have seen so many happy faces at different places that our club meets and it is wonderful to see it. As I have mentioned at meetings and on our Facebook page, within our group we lost three wonderful souls and I have witnessed our group getting together to help heal the sad soul. This is also a part of this wonderful club we all hope we won't experience but it does occur. The club becomes your family besides your life long great friends.

This club will continue and prosper after I am not president but it takes volunteers and I know there are those out there that will step up and keep this wonderful social club going. At this time, we still have 2 positions that need someone to step up and help. Raffles and the Photo Historian. Consider taking on these positions and help out, each can be done by a group of people with one person stepping forward to be the board director for the position. Your next president will need these positions filled and Steve Ketteler is a great guy who you all will love! I also know the 1st VP and 2nd VP, secretary, and treasurer will do outstanding work. Thank you for allowing me to be the president, I truly enjoyed it a great deal.

Looking forward to seeing everyone at our May meeting where we vote in the next board!

## Welcoming Newcomers for over 50 Years

Welcome to Cape Coral,  
your own Slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 52nd year.

The three-year membership fee is \$60 per person and \$120 per couple.

Everyone joining will be members of a group made up of

those starting that month. Please join us at the general meeting for coffee and a light snack and get acquainted with the most dynamic social group in the Cape. Commonly, the groups number two to three dozen. Each group holds its own activities and participates in events held by the NRC as a whole.

After 3 years, you will become a non-voting Gold Member of NRC. You are strongly encouraged to continue attending NRC meetings, dances, activities and participating in your group potlucks.

**The NRC holds a general meeting at 9:15 a.m. on the first Tuesday of each month at the Yacht Club**

We welcome you!
