## President's Message

June 2021

Happy Father's Day to all the Dads in the club. Board 108 is bringing in so many new and fresh ideas to the club. It is a pleasure getting to work with all of the wonderful Board members and I thank them all for volunteering. It was wonderful seeing so many people out for our May Dance and looking forward to seeing it continue to grow.

For those new to our community and the NRC, you will find that getting involved in as many activities as possible is the best way to get to know other members and make friends that will become your Southwest Florida family. The more you put into the NRC the more you will get out of it.

Every month we have many activities that you can join to get out and make new friends. On the 1<sup>st</sup> of each month, all activities for that month are open for signup at [capecoralnewresident.com](http://capecoralnewresident.com). You can also sign up at the general meeting on the first Tuesday of every month. We occasionally open activities early if it is planned for very early in the month. Watch the Members only New Resident Club Face Book page for notice of early opening activities. There are many activities such as Cocktails on the Cape, Dinner Dance, Ladies Luncheon, Men's Breakfast and various sports events that are on the calendar every month. You will also find other special interest activities planned for each month.

Welcome to our new NRC members and welcome back to many that we have not seen in a while. Thanks to everyone for your dedication to keeping our club moving forward.

Mary Vuncannon

President, Board 108

### INACTIVE GROUP MEMBERS

The New Resident Club was established as a way to give newcomers the opportunity to create friendships. If you are finding that the members of your group are no longer participating in group and/or NRC events, due to COVID and other reasons due to life in general, we ask that you please contact Lori Everson @ [loriever12@gmail.com](mailto:loriever12@gmail.com) to see if we can reassign you to an active group.

**Board 108 still has a vacant position that needs to be filled:**

**\*\*\*PUBLICITY DIRECTOR\*\*\***

Like to meet new people? Want to introduce new members to the club?  
Then this is the position for you!! Contact Mary Vuncannon at [nrcpres@gmail.com](mailto:nrcpres@gmail.com) to Volunteer or for more information.

## The Sun Soakers

May 2021

Co-Reporter - Lisa Colombo

A great time was had by many at the Party in Paradise Dance held at the CC Yacht Club on Saturday, April 24th.

Thank you to Sue & Jerry Koedet for a fabulous first Potluck, at which our group name was chosen - "The Sun Soakers"! A great time was had by all!! Many fabulous recipes were shared and new friendships forged.

Our group is looking forward to our next Potluck, to be hosted by Rhoda DeMatteis and Marvin Howard on Monday, May 24th. Please bring any ideas you may have for future adventures.

## Tropical Daze

January 2021

Reporter - Terry Bollard

Tropical Daze got together for a Potluck at the beautiful home of Darlene and John Heeter in the Cape Royal community. Though our numbers have dwindled, We still enjoy the food and friendship at our monthly meetings. We loved seeing Tom and Rachel Rich at the gathering! We miss our many members who travel for the summer or head to their Northern homes. The "Permanent Cape" members love to engage in the NRC activities of cornhole, pickle ball, bowling, the breakfasts and luncheons, and of course, the dances! Stay cool, Everyone!

## Sol Mates

October 2020

Reporter - Judy Bare

Greetings all! Who is the best group in the NRC? You guessed it, it's the Sol Mates! (This is just a test to see if anybody reads this newsletter) Thanks to Erma and Alan for hosting our monthly potluck. Alan made the best brisket ever in his smoker and

Erma is hostess with the mostest! Bunco was at Judy's pool with 12 fun ladies attending. Pay no attention to rumors of Jell-O shots.

The men are still playing poker and the single women are still meeting for Taco Tuesday at noon. We love where we live!!!! Have a blessed day!

## Friends in Paradise

January 2020

Reporter-Linda Cram

Friends in Paradise had a fabulous pot luck this month. Thank you to Joe and Halina for hosting at their beautiful club house. The weather was perfect, the food delicious, and spending time with our Friends in Paradise was a great time as always. We did, however, miss our snow birds. Many of us are also enjoying the clubs many activities, such as luncheons, dances, corn hole, golf and more.

Each month we are making new friends as the club grows.

## Tropical Transplants

July 2019

Reporter - Sherry Belcher

Two years ago the Tropical Transplants came together. What an incredible couple of years it has been. Our first months were spent getting to know each other while attending NRC activities like the dances and our own TT get togethers. It was sun & fun in Cape Coral. Of course, 2020 brought change. Birthday parties became drive by greetings; handshakes & hugs became electronic greetings.

Now as we start our third year we look forward to resuming those friendly, in person NRC & Tropical Transplant activities.

## Pickled Pelicans

May 2019

Reporter - Marilyn Dirkmaat

We had Our first potluck since the pandemic on Saturday at ROY and Marilyn's. First we started

with a Canal cruise, then the true socializing began. Our young group lost a whole year out of our two years of knowing each other. It was terrific to catch up. Gratefully, we have all been healthy. We ended with a champagne toast to many more great times as a family.

## Lost In Paradise

May 2018

Reporter - Chase Binder

Lost in Paradise celebrated achieving 3 years of fun and camaraderie at Don and Mary Vucannon's home. Clearly COVID didn't make a dent in the friendships forged earlier on - smiles, hugs and conversation abounded as we all caught up!!

The Duncans and the Berardinis' are now full-time Floridians. The Horstmeyer's love traveling in their new 5th wheel RV. The Duncan's, Miller's, Hottinger's and Binder's enjoy evenings playing cards. A new puppy has livened up the Fergen's home.

This may have been our last "official" potluck, but we know our friendships will be there for years of dining, card games, boating and just enjoying each other's company - and Cape Coral! Thanks to the Vuncannon's for their generous hospitality and commitment to the NRC!

## Welcoming Newcomers for 50 Years

### Welcome to Cape Coral, your own Slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give new-comers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 51st year.

Membership is open to anyone who has resided in Cape Coral for three years or less. If you've been here longer than that, you can still join the NRC, since each year there is an opportunity for "open enrollment" for all residents, regard-less of length of residency.

The three-year membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities and participates in events held by the NRC as a whole.

After three years of NRC membership, you will "matriculate" with your group to become a graduate member. You are still in the NRC and, as graduates, strongly encouraged to continue to attend all NRC meetings, activities, and events, as well as continuing your group activities with other Club members.

**The NRC holds a general meeting at 9:15am on the first Tuesday of each month at the Yacht Club**

Please join us at the general meeting for coffee and a light snack, and get acquainted with the most dynamic social group in the Cape.

We welcome you!
