PRESIDENT'S MESSAGE

August is known as the “time to reap what you’ve sown” month, as most summer vegetables are ready to be harvest. It is so true, and I am sure you’ve heard this before, *“the more that you put into the NRC the more you will get out of it”*.

Did you know that Helen Peck, the founder of the New Resident Club of Cape Coral, organized the NRC in 1967. I wonder if Helen ever envisioned that the NRC would continue 55 years later. In September, the NRC will be celebrating its 55th Anniversary at the dinner dance on September 17th. The band “Peace of Woodstock” will be entertaining us and of course the theme for the dance is the 1960’s. So be sure to save the date.

In order to keep the NRC going the last 55 years, it took volunteers both on the board and committees. There has been 110 boards with 15 board members, that’s 1,650 volunteers. Which does not include those on committees to support the boards. Thanks to all of you who have served and kept the NRC going all these years.

In order for us to continue, it’s that time to fill Board 111 whose term will begin on November 1st. If you are interested in any of the positions, please contact info@capecoralnewresident.com to request the full job description. There are 15 positions on the board and each position is key in keeping the NRC running smoothly. Several positions can be co-chaired and certain positions it’s recommended that you coordinate a committee to work with you. After serving on three boards, I can say that it is very rewarding and a lot of fun. New people, who bring new ideas to the board, is always a good thing and is the reason why the NRC has been so successful for 55 years.

Our May-June-July New Members were finally able to officially name themselves the “Latitude with Attitude“. Even though the group waited three months before officially being named, that didn’t stop them from the many activities that they held. Please be sure to welcome them to the NRC family.

Another special interest group was recently established, the Widows’ Group, although they are working on creating a new name. This is not a bereavement group, but a group of widows who want to do things together. If you are interested in joining, please contact me.

If you find that you are in a non-participating group and wish to be in an active group, please contact me. It does not mater if you are a Member or a Graduate, we want to make sure you have the full advantage of the NRC of making new friends and having fun doing it.

Just a reminder.....

- A suggestion box is now attending the general meetings - we would love to hear from you. You also have the option to email nrcpres@gmail.com. All suggestions will be reviewed and responded to.
- Donations for the Cape Coral Caring Center - they are in need of canned fruit (individual cans are great), pasta sauce, and bar soap. Donations accepted at the general meeting and the dinner dance.

In closing, I hope you have a wonderful August. Safe travels to those who are trying to get away from the Florida heat.

Hope to see you soon.

Oct/Nov 2021

Reported by Janet Meyerson

Hope everyone is having a fun and safe summer. While many of HLDs members have left for homes in other states, many are still full timers here and continue to enjoy their time in Cape Coral.

Our group leader Stefanie has kept everyone busy with several outings and activities for all to enjoy. Drag Queen Bingo was a hit for many of our members as well as a night on the town at Cape Cabaret for a delicious dinner and music of the cover band Pink Floyd.

With the 4th of July festivities behind us, members can look forward to Craft nights, more Cape Cabaret entertainment and of course attending NRC dinner dances. We continue to enjoy a fun summer and look forward to when we are all together again.

Celebrating our 55th Year!

Welcome to Cape Coral, your own Slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 55th year.

The three-year membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities, as well as participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of NRC.

A General Meeting is held monthly at Lake Kennedy Center.

Newcomers are welcome at the general meeting for coffee and a light snack to get acquainted with the most dynamic group in the Cape.

For additional information, visit the NRC website at www.capecoralnewresident.com. Or join the NRC Facebook page: “**Members Only New Resident Club of Cape Coral, Florida**”. Or contact any of the NRC Officers or Directors listed on the inside cover of this newsletter.
