President's Message

As we begin this month to celebrate the 55th anniversary of the New Resident's Club, one may wonder how it all began. In 1965, Helen Peck and her husband Milfred purchased a home in Cape Coral, known as the "waterfront wonderland with more canals than the City of Venice, Italy." The developers, the Rosen Brothers, tasked their Marketing Director Paul Sanborn to find ways to entertain the residents of the growing development. The local hotel agreed to allow the local kids access to their pool once or twice a week, and Sanborn started holding potluck dinners at the Yacht Club. The residents started looking forward to these events and as the neighborhoods continued to grow, so did their friendships.

Helen Peck could see these potlucks as an opportunity for something more, and she had ideas of what that might look like. So she would visit Sanborn at his office several times during the week. Sanborn finally decided that Peck needed something to do, so he convinced her into taking over the potlucks. So she did, and decided that there could be something more than just the potlucks. In 1967 the New Resident Club of Cape Coral ("NRC") was organized. The constitution she helped create is still at the core of all the club does. Peck envisioned that the NRC would "give newcomers the opportunity to exchange ideas and form friendships".

Here we are fifty-five years later, the potlucks are the same as they were in 1967, but they are now held in members' homes, at local parks and restaurants. The NRC is stronger than ever, even going through difficult times in the last two years and having to move from the Yacht Club to the Lake Kennedy Center.

Unfortunately, Helen and Milfred Peck are no longer with us. I wonder if Helen ever realized what an impact that she would have on so many lives. It's difficult with every move, leaving family and friends behind; how wonderful it is to be a part of the NRC. This month we say thank you to one special lady, Helen Peck, and toast our beautiful friendships that have been created because of Helen.

As part of the celebration, you don't want to miss the September Dinner Dance on Saturday September 17th. I'm excited that Dennis Pastorelle was able to negotiate hiring the band "Peace of Woodstock". They are a popular group that pays tribute to "1969" as the greatest year in rock music. Caterer Extraordinaire will again cater the dinner. So come join us in celebrating NRC's 55th anniversary, as the band takes us back to that great year, and don't forget your tie dye shirts, headbands and your peace signs.

Welcome to our new group "Ship Faced". Please sure to welcome them to the NRC Family.

Thank you all who have stepped up to be on Board 111 (November-April). There is still one position to fill - the "Treasurer". You don't have to be a CPA to fill this position, just an understanding of bookkeeping. If interested please let me know, for Cheri Kerr will be vacationing in beautiful Italy.

In closing, I hope you have a wonderful September. Safe travels to those who will be returning to our beautiful Cape Coral.

News from the Groups

The newest NRC group Latitude With Attitude has been stepping up to enjoy the Cape Coral summer and getting to be friends. The members have shared lunch at Duffy's, cocktails at the Tiki Bar, bingo at Gator Mike's as well as a day at the beach on

Latitude with Attitude May-July 2022

Cayo Costa. Several of the ladies have enjoyed the Ladies Luncheon. Plans are underway for our August potluck dinner and we look forward to the adventures ahead of us.

Reported by Sandy Hartmann

While in the thick of summer, we are laying low. A few members have been traveling. Lisa to Ma. Cheryl S. to Michigan for a reunion. NC for Judy and myself. A few have been having surgeries. Debbie's got a new knee. Judy had sinus surgery. Susan got a new hip. **In June, some GBs enjoyed a hot, cloudy potluck lunch at Joe Stonis Park. Another future potluck will be there again but in the dry season.**

Gator Bites in Paradise

July, August, September 2021

July potluck was at my home. Had 20 guests for the indoor picnic basket themed lunch. Lots of cold dishes and a large, delicious strawberry shortcake via Debbie and Lou. Bruce made sure there was enough left for him to take home. Lucky guy!

The male Gator Bites meet up once a month for breakfast at The House of Omelets. Ladies luncheons for us can't seem to get done because we are all busy. But Carole keeps trying. Maybe September!

August NRC meeting was attended by our usual crew. Sherrel, John, Cheryl, Chuck, Deb, Lou and me. The laughs around our small table kept coming. Then John expanded the jokes to everyone in the room when he asked the speaker from the Sheriff's Department, if he can volunteer for the ice cream truck position. Then added he is available Monday through Sunday from 5am to 10pm. The room roared with laughter! Sherrel tried to climb under the table as she has been married to John over 57 years and his joking might be too much for her. But we enjoy our leader's fun, lively, upbeat demeanor.

Many couples in our group are married many decades. At the meeting before it started, Deb, Sherrel, and Cheryl (we have 3 Cheryls and 2 Karens in this small group) were saying how they all had opposite work schedules as their husbands. Maybe that's the key to a long marriage?

Congratulations to us! This group is now a year old. Fun times, nice folks and quick friendships.

As September approaches, fingers crossed for no hurricanes and mild monsoons! Come on cooler temps. Hope August was good to all.

Tropical Daze

Nov '20-Jan '21

Dazers are returning to Paradise and are ready to explore! Several members enjoyed the calm seas and sunshine on Cayo Costa in early August, although, as usual, a passing storm brought clouds, lightening, and pouring rain around 3:30, making the ferry ride back to Pine Island a little dicey...reminding us of "Gilligan's Isle." Thank you to Darlene and John for the after-Cocktails-After-Cocktails Get-Together and to Theresa and Skylar for opening up their home (with a new second story!) for a Picnic Potluck. It is always fun to laugh and reconnect!

3 Sheets to the Wind

February 2022

Our group has been busy with a Potluck July 12 at Gina and Tony's house, a July 3rd party at Gina and Rogers house. A couple of us had a great day at Caspersian Beach. A few members have been going to the ladies luncheons and had a lucky streak winning raffle prizes. Fun was had by all who attended Cocktails on the Cape at Hurricane Grill. We are planning a bowling night September 1st. A lot of our members are snow birds, hope to see them soon!

Sun Soakers

April 2021

The Sun Soakers have been surviving the summer heat! We had our Pool Party Themed Pot Luck in August at Drew & Jack's beautiful home. A big thank you for hosting! We also enjoyed a Sun Soakers Cocktail Hour at the Big Ten this month. We look forward to increasing our group as those who are traveling continue to return.

We want to wish Paula a quick recovery from her recent surgery. Your Sun Soaker Sisters miss you!

Reported by Lisa Colombo

News from the Groups

The Nauti Caper Ladies are always lucky at the Ladies Luncheon. In July, Brenda took home not 1 but 2 of the raffle prizes. At the August Lunch 4 out of 6 of us won!

Nauti Capers January 2022

We all had a great time at our July potluck!! Thanks to Sheila and Mike for hosting! Some Nauti Capers stayed up late enjoying each other's company in the Tiki Hut. The trivia game Sheila and Mike prepared for us was very informative. We got to learn little more about our city Cape Coral. It was a lot of fun!!

In Deep Ship April 2022

In Deep Ship had a fun filled night! We started out with dinner at Fathoms followed by a sunset tour on Banana Bay Tours and then back to Fathoms for some live music.

We also had another great night traveling between three homes for a progressive dinner!

Celebrating our 55th Year!

Welcome to Cape Coral, your own slice of Paradise!

In 1967, the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 55th year.

The three-year membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities, as well as participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of the NRC.

A General Meeting is held monthly at the Lake Kennedy Center.

Newcomers are welcome at the general meeting for coffee and refreshments to get acquainted with the most dynamic group in the Cape.

For additional information, visit the NRC website at www.capecoralnewresident.com Once a member you will be invited to join the NRC Facebook page "Members Only New Resident Club of Cape Coral, Florida". You may also contact any of the NRC Board Members listed on the inside cover of this newsletter.
