# President's Message

What a way for a new board to start their term. I hope all are doing well in the aftermath of Ian. When Theresa and I joined the NRC in January of 2021 we expected to be able to participate in a variety of activities and meet new people. What we did not expect was to make new lifelong friends. Friends who stand by you in times of strife like the aftermath of this hurricane. If not for the NRC and the people we have met we would have been just like Tom Hanks in Castaway with only Wilson for support. But we had fellow Tropical Dazers jump in to help. It has made the experience much more bearable. THANKS NRC!

As Dot Binder has shared in an email blast and on Facebook, please reach out thru the "Members only New Resident Club of Cape Coral" site if you have any pressing needs.

As we move through this, we will be working hard to get many of our activities back on schedule. A special shout out to Dot and board 110 for being able to keep the Ladies luncheon and a modified dance for last month. We will continue to work with the Lake Kennedy Center on when we can return for our monthly meetings, dances, and other activities. In the interim we will use the Cultural Park Center for our November and December meetings. Stay tuned for updates.

It is hard to believe we have Thanksgiving and Christmas right around the corner and then we will welcome in the New Year. We are also looking forward to reconnecting with all our snowbird members that will be returning to the Cape over the next few months. It is always an exciting time to reconnect and share what has transpired over the last several months.

I look forward to working with and for you over the next six months of my term and welcome your suggestions and ideas on activities we can hold and ways we can continue to make the NRC better to serve all our diverse interest and needs. Have a safe and prosperous November.

# Celebrating our 55th Year!

## Welcome to Cape Coral, your own slice of Paradise!

In 1967, the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 55th year.

The lifetime membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities, as well as participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of the NRC. A General Meeting is held monthly at the Lake Kennedy Center.

Newcomers are welcome at the general meeting for coffee and refreshments to get acquainted with the most dynamic group in the Cape.

For additional information, visit the NRC website at [www.capecoralnewresident.com](http://www.capecoralnewresident.com)

Once a member you will be invited to join the NRC Facebook page "Members Only New Resident Club of Cape Coral, Florida". You may also contact any of the NRC Board Members listed on the inside cover of this newsletter.

**"The word thanksgiving means the act of expressing or feeling thankfulness."**

In other words, it's the act of giving thanks for what you're grateful for. I know many of you are going through hard times and may not feel exactly thankful this Thanksgiving season....my thoughts and prayers go out to each of you. Hope you all have a wonderful Thanksgiving celebrating the beauty of "life".
