# President's Message

I hope everyone had a great and enjoyable Thanksgiving. Theresa and I were able to spend quality time with our extended family this year in Ohio and we really missed the warmth and sunshine of Southwest Florida. I know many of you have traveled for the holiday and will probably also travel again or have visitors for the upcoming Christmas, New Years and Hanukkah holidays. If you are staying in Cape Coral, I encourage you to join us at the December Holiday Dance on December 17th at the Cape Cabaret. The band for this dance is Deb & the Dynamics – one of the best bands in the Cape. This is one of those rare times where we will encourage you to invite any of your adult visitors or family that may be in the area. We will have the entire facility and there is plenty of room – so don't miss this one.

We are thankful again for the use of the Cultural Park Theater for our general meeting on December 1st and new member social December 7th. We hope to see you all there. Mark Fleming, executive Director, has been very supportive of the NRC during the post Ian recovery. I encourage you to visit their website and support them. Cultural Park Theater | Where Art Meets Paradise

At our November meeting we had a great presentation by Robin Rolliner and the Cardboard Boat team. They are looking for additional members to join their crew. They build an amazing boat all out of cardboard, glue and paint. And then they actually race it on the water. They will attend again in December and will answer any questions you may have on how you can join this fun group.

We are still collecting Toys for Tots. Please bring your donations to the general meeting. We will Hear from Pat Wood on this great activity. We also encourage you to bring your non-perishable food items for the Cape Coral Caring Center. They are providing full Thanksgiving and Christmas dinners the next 2 months.

Welcome to our newest group “The Skinny Dippers”. Please welcome them!

Board 111 is up and running. We do need a dance reservations board member. This is an excellent way to get more involved and meet additional people. I'd also encourage you to recruit additional team members to support you in this role. Won't you please join us on board 111.

I wish all of you a wonderful December and look forward to seeing you.

Hooray for Normalcy! Genie and Tom Wiss served up a delightful potluck for our group. As always, the various foods from ham and sides to shrimp and pigs-in-a-blanket apps were delicious. A culinary highlight were the delicious cakes for our November birthdays made by the one and only, Clara Biletta. Cheers to another year around the sun: Elaine Florczak, Jeff Comella, Genie Wiss, and Hans Meier! December will find us attempting a holiday progressive cocktail "trolley." ...And, dancing the night away at the NRC dance!

We are looking forward to the return on our northern friends. Ian hit us hard and our group leaned on each during the hurricane and the aftermath. We are so grateful for the friends we have developed and now we have bonded together as family. It was so helpful to share in the trying times and to enjoy some victories like electricity and water.

Our Nauti Capers book club is going strong and enjoyed some Halloween fun. Pam & Rhett Rochna opened their home and Salem, MA Halloween Traditions to not only our group but to many Cape Coral friends.

The Ladies Luncheon was amazing as always and we had our normal big winner, Sue!  
We also enjoyed a trip to the movies for a chick flick!

The Nauti Capers finished off the month with a Friends-giving meetup at 10 Twenty Five where we welcomed back some of our snow birders! We are so thankful and grateful for the friendships we have made.

# Celebrating our 55th Year!

## Welcome to Cape Coral, your own slice of Paradise!

In 1967, the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 55th year.

The lifetime membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities, as well as participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of the NRC. A General Meeting is held monthly at the Lake Kennedy Center.

Newcomers are welcome at the general meeting for coffee and refreshments to get acquainted with the most dynamic group in the Cape.

For additional information, visit the NRC website at [www.capecoralnewresident.com](http://www.capecoralnewresident.com)
