President's Message

HAPPY NEW YEAR. I hope everyone had an enjoyable holiday season. Theresa and I were able to spend the holidays in Ohio with our extended family including our six grandchildren. That was special, but as the song goes "The weather outside was frightful". After experiencing 10 days of near or below freezing temperatures it reinforces why we choose to live in the Cape.

The Lake Kennedy Center is still reserved for Ian relief. Thankfully we can use the Cultural Park Theater for our general meeting on January 5th and new member social January 10th. Please note the New Member Social is Tuesday this month instead of Wednesday due to schedule conflicts at the theater and is by invitation only. We hope to see our newest members who joined in January there. Mark Fleming, executive Director, has been very supportive of the NRC during the post Ian recovery. I encourage you to visit their website and support them.

We are hosting Lee Health and their Blood Drive January 5th . Their bus will be in the parking lot between the theater and the Art Center from 7:30-1:30. Let's support them with your life saving gift.

Our guest speaker will be Gwynne Beatty, Insurance Specialist. She will be addressing topics we should all be aware of for our insurance coverage and in managing the challenging environment of insurance claims. Topics to be covered are listed below.

Guidelines for coverage

[Coverage A Dwelling](#)

[Coverage B Other Structures](#)

[Coverage C Personal Property](#)

[Coverage D Loss of Use](#)

[Coverage wish list for insurance agent](#)

[Bring your premium down](#)

[Restoration/Water Mitigation](#)

[Before you evacuate](#)

[4 things never to say to the insurance company/leading questions](#)

I hope everyone who attended the December dance had a great time. With the Lake Kennedy Center being unavailable we will be moving the next few dances to The Palmetto Pine Country Club. Please plan on joining us January 21 st . We will also have Cocktails on the Cape at the Tiki Hut Bar and Grill at Dolphin Key Resort January 9th, Wicked Dolphin Distillery Tour January 13th and tentatively Santana, Doobie Brothers and .38 Special cover band at Cape Cabaret January 19th. And of course, the always popular ladies Luncheon Thursday January 19th at Hurricanes.

Lastly, it is hard to believe board 111 is entering the midpoint of their terms. That means we are looking for our replacements. Won't you consider volunteering?

Good Riddance 2022! You started off well, but Ian came to visit in September and some of its scars will take a while to heal. Still, we Dazers try to get together monthly for Potlucks, Happy Hours, Open House, Breakfasts on Saturdays at the Tiki Hut, and special events in and around the Cape. We are so fortunate to have found such kind fun loving friends! Our Two-year Anniversary will be celebrated this January with Brunch at the Bollards! Celebrating our 55th Year!

Welcome to Cape Coral, your own slice of Paradise!

In 1967, the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 55th year.

The lifetime membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities, as well as participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of the NRC.

A General Meeting is held monthly at the Lake Kennedy Center.

Newcomers are welcome at the general meeting for coffee and refreshments to get acquainted with the most dynamic group in the Cape.

For additional information, visit the NRC website at www.capecoralnewresident.com

Once a member you will be invited to join the NRC Facebook page "Members Only New Resident Club of Cape Coral, Florida". You may also contact any of the NRC Board Members listed on the inside cover of this newsletter.
