President's Message

I want to take a moment to thank everyone who attended the January dance at Palmetto Pine CC. I believe everyone had a great time at a great venue.

I have had lots of questions about the cost of the current dances and the open bar arrangement. I want to provide full transparency on the current pricing along with additional background information:

We had a long and successful run at The Yacht Club. When we were told we could no longer use that facility the board did an exhaustive search for a new venue. The decision was made to move our meetings, dances and other activities to The Lake Kennedy Center. While this was a smaller facility, it had a reasonable cost and afforded us the ability to use outside caterers, provide beer and wine and allow for BYOB. With Hurricane IAN FEMA occupied the Lake Kennedy Center and still does as of this writing. We as well as The Lake Kennedy Center do not know when FEMA will depart. This forced us to find a new location for the dances. We had previously made arrangements for the December dance to be held at Cape Cabaret. That was for one event only. For January through March Cape Cabaret would only commit to a Sunday or Tuesday night for a monthly dance. We were able to make arrangements with Palmetto Pine Country Club for the January, February and March dances. The downside is we pay a larger rental fee for the facility, must use their food service for catering (at a higher price than we normally pay) and their bar service. BYOB is not allowed. Our goal for all our activities is to break even. To do that at Palmetto CC we needed to charge a fee of \$55/person. Our options were to raise the price temporarily or cancel the dances for three months. The board decided the dances were an integral part of our culture and chose to move forward with them at the higher cost.

If anyone knows of another event facility in Cape Coral that would provide the NRC the opportunity to continue with our previous prices and policies please reach out to the board.

We will again use the Cultural Park Theater for our general meeting on February 2nd. We hope to see you there. Mark Fleming, executive Director, has been very supportive of the NRC during the post Ian recovery. I encourage you to visit their website and support them.

Our guest speakers will be Sandy Greiner, Marketing Manager Tropical Breeze Funpark and Scott Steele, Cape Coral Sail & Power Squadron.

A review of February events:

Please plan on joining us February 18th for the dinner dance at Palmetto Pine CC. We will also have Cocktails on the Cape at the Rumrunners Monday February 13th. And of course, the always popular ladies Luncheon Thursday February 16th. Please check the website for additional activities.

Lastly, it is hard to believe board 111 is entering the midpoint of their terms. That means we are looking for our replacements. Won't you consider volunteering?

The Next Chapter is a social group made up of plus ladies who have experienced the loss of their spouse.

In December, Next Chapter brought in the holiday season with a luncheon at Bonefish Grill and the New Year with a luncheon at My Sweet Art.

The group is making plans, in addition to luncheons, to visit the local attractions.

The NRC Theater Group met in January at the Cultural Park Theater. Mark Fleming, the Executive Director of the Cultural Park Theater presented the opportunities available there.

After Mark's presentation, the group met for the first time.

Some of the ideas presented at the meeting were (1) to try a new place each month - examples: Cultural Center, Shell Factory, Repertoire, Broadway Palm, Barbara Mann, High School and College plays; the theater on Santa Barbara; any others. (2) see a mixture of musicals and plays; (3) members will meet quarterly to vote on which shows to see; (4) some members may want to car pool to events; (5) members desire to advertise events via NRC Newsletter and Facebook Page; and (6) would like to place orders via NRC website (PayPal) to make it easier in managing/obtaining tickets.

Next meeting will be held on Tuesday, February 7th at 6:30pm at the Cultural Park Theater (528 Cultural Park Blvd, Cape Coral).

If interested in joining the NRC Theater Group, please contact Dot Binder at nrcdotbinder@gmail.com.

THE HISTORY OF THE RUMRUNNER

Rumrunner's hull is a 1949 design by John Hacker. While the original plans were for a triple-cockpit runabout, the boat's design was modified by naval architect Charlie Jannace to that of a commuter. Rumrunner was built by Hugh Saint, Inc., Custom Boats in Cape Coral, Florida, for Will Stout.

She was cold molded using West System epoxy and Honduras mahogany.

With seating for 20 people, the boat has a very versatile design that can be used as a day boat or a pocket cruiser.

The Rumrunner is a 37-foot Commuter, powered by twin Crusader 8.1 HO 8-cylinder engines rated at 425-hp each.

The Restaurant that bears the name of Rumrunners is proud to bring you the best waterfront dining experience you can have.

HAPPY 2nd ANNIVERSARY!**

Tropical Daze is skipping into 2023 with hope and happiness! A Potluck Brunch at the Bollard home brought about 25 of us together to chat and chew about the holidays, families, and happenings as well as plan for the new year.

We have gatherings set for February, March, and April! We also hope to bring the ladies together for lunch, shopping, movies, art, and other activities. A few of us will venture into learning the fine sport of golf, while others want to play Euchre, Bocce, and Pickleball.

With humor and patience, several members are working toward final lan repairs; we believe getting together helps ease the construction craziness. We are missing some yet to return to the Cape while others welcome company from the North, escaping to our Paradise.

Wishing you all health and happiness!

We are playing couples bunco in the evenings once a month on the 4th Friday of the month (usually), and Ladies Luncheon Bunco once a month on the 2nd Tuesday of the month. We can always use substitutes, so if you are interested contact Gina Neglio.

Celebrating our 55th Year!

Welcome to Cape Coral, your own slice of Paradise!

In 1967, the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 55th year.

The lifetime membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities, as well as participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of the NRC. A General Meeting is held monthly at the Lake Kennedy Center.

Newcomers are welcome at the general meeting for coffee and refreshments to get acquainted with the most dynamic group in the Cape.

For additional information, visit the NRC website at www.capecoralnewresident.com

Once a member you will be invited to join the NRC Facebook page "Members Only New Resident Club of Cape Coral, Florida". You may also contact any of the NRC Board Members listed on the inside cover of this newsletter.

I love you, friend, and there's nothing I wouldn't do for you. Here's to a Valentine's Day filled with good wine, good food and especially good friends like you.
