President's Message

As we start our new NRC Board 112, we are looking forward to the future and the many new experiences to come. I want to say hello to all the current members, graduates, and all the new members who will be joining us. My husband Jack and I moved here two years ago from Pittsburgh and joined the NRC. It was one of the best decisions we made. We have met so many people and made so many friends and enjoy various activities with all of them. I hope all of you experience the same.

It has been tough since Ian has hit us. We no longer had a home. We have been using the Cultural Park Center for our general meetings. The center has been accommodating to us. We can help them out by volunteering to usher, be a greeter, or work the concession stand at their shows. I hope some of you take this opportunity to help. Starting later this month we will be returning to the Lake Kennedy Center for all activities.

Each month we will have different speakers who will provide information on a variety of topics. This month our speaker will be Noelle Branning from the Lee County Tax Collector's Office. She will provide valuable information about the services her office can offer along with pertinent information you may need about payment options or starting a business. Her presentation will make understanding property taxes easy and she will answer questions you may have.

Our activities director, Lisa, will be planning many fun activities each month. And of course we have our monthly cocktail party, dinner dance, ladies luncheon, and men's breakfast. We also have our sports groups - bocce, corn-hole, golf, pickle-ball along with bunko and mahjongg. Check out our newsletter to find these events. I encourage you to participate in all or some of them.

I along with the board look forward to meeting all you and working with you to make the NRC a great experience. We welcome any suggestions or ideas you may have. Just contact any board member for assistance. And also check out our Facebook page at Members Only New Resident Club of Cape Coral.

Have a wonderful month.

Theater Group

The Theater Group attended the production of the "Jersey Boys" at the Broadway Palm Theater this month. What a great production is well - we all so enjoyed the music, food and the company.

Next Chapter Group

The Next Chapter enjoyed an evening at the Cape Cabaret being entertained by Jimmy Keyes. What a variety show it was - keeping us in stitches the whole night. The Group also checked out the German American Club.

News from the Groups

IGUANA HAVE FUN Est. March/April 2023

The newest group to join NRC is Iguana Have Fun. We had a great time meeting each other at our New Member Social, at the Cape Harbour Club House. Bryan Dobson volunteered to be our Group Leader.

Several of the IGF gathered for food and drinks at Pinchers, where a good time was had by all. Also, a group of our lovely ladies enjoyed a delicious lunch at the ladies luncheon. This was simply a warm up for our first ever Cinco de Mayo themed pot luck dinner being hosted by Debbie & Jeff Roberts.

Look out, as Iguana Have Fun is ready to raise the roof and have tons of fun!

We look forward to getting to know more of our fellow NRC members as we plan on taking full advantage of all the New Resident Club has to offer!

OUR HELP!

THANK YOU for your continued support.

Welcome to Cape Coral, your own slice of Paradise!

In 1967, the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 55th year.

The lifetime membership fee is \$60 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities, as well as participates in events held by the NRC as a whole.

After three years, you will become a non-voting lifetime member of the NRC. A General Meeting is held monthly at the Lake Kennedy Center.

Newcomers are welcome at the general meeting for coffee and refreshments to get acquainted with the most dynamic group in the Cape.

For additional information, visit the NRC website at www.capecoralnewresident.com

Once a member you will be invited to join the NRC Facebook page "Members Only New Resident Club of Cape Coral, Florida". You may also contact any of the NRC Board Members listed on the inside cover of this newsletter.

we all quote our
mothers.**
