### LEAPING LIZARDS- FEB 2016- by Suzanne Rothberg

The February 2016 New Residents group are now know as the "Leaping Lizards". The name was voted on at our first Pot Luck dinner, hosted by Karen Tate. Everyone was well fed with dishes popular from hometowns all over the map. Personal interests were expressed, fishing, reading and golf people mingled to find more of the same. Our next Pot Luck was again at Karen's home on March 22nd. All looking forward to future activities.

### NRC supports programs such as the Cape Caring Center and Onesight

Just a reminder that the New Resident Club has a continuous giving program, which collects canned goods and non-perishables for the **Cape Coral Caring Center** for distribution to those in need. Please drop your donations in the box at the Yacht Club. Also, please bring used eyeglasses to the NRC monthly meeting - a Gift of Sight box is provided on the activities table for your donation. All donations will be taken to the respective centers for distribution.

### SUNSET CELEBRATION

Wed. April 6, 2016

# NRC Group News

APRIL 2016

**MARCH/APRIL 2014**

**PARADISE FOUND**

Reporter: Page Flournoy

Here's what a few of our Paradise Found Group had to say about their favorite part of being in the New Resident Club the last two years we've been active members: It was a wonderful opportunity to meet people and to learn about local places and activities in The Cape. From lone and Chuck Good. The NRC has been a great way to get to know the area and the people in it, new and old. Fondest memories for Tom are all about the cardboard boat building. More than a construction group, the times together proved to be a way to bond over cardboard, glue and the occasional Band-Aid. It's been non-stop fun! Add in the two NYC golf leagues as another big plus. Both Sherry and Tom have enjoyed team trivia, the potlucks and becoming friends with folks both in our Paradise Found group and with folks in other groups. The Millers. Lynn Fuhmeister enjoyed the Ladies Luncheons, and often won prizes. The pot luck's are fun, as are the monthly dances. Meeting so many people who are willing to share info about living in Florida. Bonnie McCauley. My favorite things were the potlucks and camaraderie. Margaret Grant. The people, the activities when we can make it and the potlucks. Jill Mensch. The dances and the wine and canvas, sunset celebration. Nita Doepke. I feel the BEST part of the group is meeting many friends when you move to an area and know no one. It really made me feel a part of a community instead of an outsider with no one to share time with. Cathy Harper. Michelle like the Sunset Celebrations and Potlucks and the dances when she could make them. As for us, we can't begin to express the happiness at meeting so many genuine, happy, delightful people! We adore the dances! They make us feel young. We can't get enough of the Sunset Celebrations, dancing in the sand to live music with friends. We loved being on the board and helping being a part of making this club special for everyone coming through for the first time. We've met wonderful people who warm our hearts and make us laugh. We loved learning Bocce Ball, Building and racing cardboard boats, playing trivia. This is where we will grow older but always stay young. We are truly grateful for the New Resident Club! **Paradise Pelicans**

**July/Aug 2014:**

**PARADISE PELICANS**

Reporter Virena McElheney

Loving this paradise much more with the wonderful cooler weather and longer daylight hours. Let's hear it for springtime in the Cape. So much to do with spring training in our area and spring break at the beaches, Shrimp Festival on Fort Myers Beach, and March Madness on TV. Impossible to do it all, but it sure is fun to try. This month's pot luck will be celebrating Dee, Gary, Dinah, and Cindy's birthdays, as well as St. Patrick's Day. With so many folks having house guests at this time of year, we are all getting together for dinners and boat outings to meet and greet all the friends and relatives of the Pelicans. We welcome new and repeat visitors for all. Several of the Pelicans were able to get to the Florida Everblades vs Toledo Walleyes at the Germain Arena to watch the hockey game. It was a great game with the Everblades winning!!! With Easter right around the corner, many of the Pelicans will be getting together and having a big Easter dinner with all the fixings. We might even hide a few eggs around the house for a good ole Easter Egg Hunt for the young at heart. All the Pelicans are looking forward to our next dinner dance which gives us a chance to get out there and strut our stuff and shake our feathers.

Until next time...See you around the Cape!!!

**CAPE ESCAPES**

Reporter: Diane Kenney

Winter is over. Spring is here or did we skip spring and go directly to summer? As usually here in the Cape, the Cape Escapes stay busy and have fun. Our March pot luck was dinner at Water City Grill hosted by Brenda Serbonich. It was a fun evening with the Kenneys, Fairleys, Appelmans, Cyrs, Boothes, Beringer/MacLains and Kaden/ Fitzgeralds. Nice way to support a newer restaurant. No cooking involved on our part. Our Cape Escapes have been seen at the golf courses, bocce ball court, trivia nights, dinner dance and other NRC events. Can also find us helping build the cardboard boat or volunteering at Barbara B. Mann.

Family and friends continue to pay us visits from the colder weather states. They are jealous of our new life here in the Cape. Chris Dordon celebrated his birthday on March 8th. Linda Fairley will celebrate on April 11th. Soon our Snowbirds will begin flying north, but other friends and family will visit in the future. All want to experience our new life in the sunshine state!

LAUGHING GULLS**  
Reporter: Vickie Sullivan

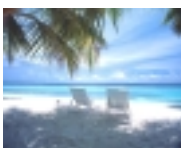

Well, I for one was happy for Daylight Savings Time. I like it when it stays light longer in the evening. The weather is getting warmer, Baseball Spring Training has kicked off and the roads are packed. Plus time just seems to be flying by. The Gulls are still keeping busy.

We had a wonderful turn out at the Ladies Luncheon at Miceli's--Sandy, Loretta, Janis, Lori, Tina, Pam, LuAnne, Jill, Barb, Nettie and Vickie. We also cleaned up in the raffle. LuAnne, Janis, Jill, Nettie, Pam, Jill, Barb and Vickie all won raffle prizes. In fact, Nettie won twice. The lady Gulls had another fun night at Paint

Escape. Who knew we had such talent in our group 😊. It was so great to see the wonderful turn out at the Valentine's Dinner/Dance. We got our groove on.

Mike, LuAnne, Sully and Vickie attended Cocktails on the Cape at Two Amigos. We had the Gulls ladies Bunco at Sandy's. Thanks Sandy for the good food and hosting this month. I hope everyone got their T-shirt and hat for the Cardboard Boat Regatta. Thanks to Tina and Pam for stepping up for this. A big HAPPY BIRTHDAY to our March folks: Larry (5th), Sandy (13th) & Steve (14th). Everybody is keeping busy working on the cardboard boat, playing Bocce, golfing, etc.

Hope to see all the ladies at Asia Buffet and hope everyone will attend the March Madness dinner/dance and Cocktails on the Cape at TP Hoolihans. Remember GULLS JUST WANT TO HAVE FUN.

BEACH BRATZ**  
Reporter: Babz Maxwell

I am currently holed up in the bathroom, with the door 15

locked, until I finish this month's report. It's the only place I can get a moment's peace while our daughter and granddaughter are visiting. Nothing changes a retiree's way of life like a three year old. Gone are lazy mornings with coffee and a newspaper. Whoever said perpetual motion is not possible has not met Cadence. How can one small being contain so much energy? Harnessed correctly, her daily momentum could supply all of Lee and most of Collier counties with power for the greater part of a week.

She is attracted to all things glitter, spending her days in tiaras, assorted princess dresses, and Cinderella slippers. She is fascinated with the Kitty collection and the contents of my closet. Imagine that. We have run out of high places to keep breakables. I've learned much in my time with Cady. I am proficient at counting to 20. The neighbors all know I can sing the ABC song, but refuse to sing with me, as the song suggests. I know the entire dialogue from the movie FROZEN by heart. And if I hear Caillou's whiny, nasally voice (just Google it) one more time, I will smack the TV into next Tuesday (note to self: Let it go). I fall into bed at night exhausted. And it's worth every magical moment. She is the glitter in Grammy's eyes, and the spring in Crappaw's step. You wouldn't believe how fast Mike can move when Cady says "Crappaw, Meggie fits in the dishwasher!". In other news, we had a beautiful Sunset Celebration and a great crowd in attendance. The Valentine's Dance showed Mavis Hufnagle's dad in rare form. That man can dance! I hope I have that much spunk when I'm his age! Vern and Linda Seaton hosted our March potluck with some scrumptious barbecued chicken. This is a busy month for the Bratz. The Cardboard Boat regatta is coming up on the 16<sup>th</sup>. The NRC has been working on the SS Minnow and we are hoping for another spectacular win, like last year. We have several birthdays to celebrate this month: Shari Hively, Sue Driscoll, Mo Sharpe, and MOI, who hits the big 6-0. We Bratz are slowly but surely taking over the world, as several of us take a spot on Board 98. Sue Driscoll is staying on as secretary, Tom Reiser will be treasurer, John Rall will be PM refreshments, Micah Millet will be photo historian, Connie Catanese will be in charge of publicity, and MOI will be returning as the Lunch Lady. It's going to be FABULOUS! I personally think it's great that we have so many Bratz on the board. There should be certain "perks" for the rest of us. John Rall says we should request quality seafood, like Lobster with truffle sauce.

APRIL 2016

# NRC Group News

As treasurer, Tom says that if any of us need some short term, low interest loans, to see him, and he would be happy to oblige. Furthermore, he has offered to do all the Bratz taxes this year for FREE. Connie Catanese is working on booking an evening with Jon BonJovie. She can't make up her mind if we should get Billy Joel or Phil Collins for an opening act. Oh, and the first 50 people to sign up will get free piano lessons and a Fender Strat. And that's just for May! I can hardly wait to see what she has in store for the rest of the term!

In spite of having served on the current board, Sue Driscoll did not have anything exciting to offer, since all they give her is free paper. BUT she said she would be happy to fetch us coffee and collect our dry cleaning. The real wild card here, folks, will be Micah Millet. He will have a camera handy at ALL TIMES. He has two boys in college in New York, which is NOT cheap, and told me privately he is not beyond a little blackmail on the side. Consider yourselves forewarned and try not to do anything you don't want your family to see back home. Well, that's all I have time for now. Cadence has suddenly gotten VERY quiet, and the dishwasher is barking. Gotta run.....

## JANUARY 2015 CORKSCREWERS

Reporter: Leslie Vaughan

The Corkscrewers are having a gloriously busy Spring! Our friend, Gail continues her remarkable recovery from her knee surgery. We're all so glad that she's doing well! Several from our group went to Broadway Palms to see Unnecessary Farce and reported having a great time! All who attended said they laughed through the entire show. Hopefully we'll get a group together and go back soon! Several of the group went on a boat ride out of Punta Gorda on the Kingfisher fleet. It was a beautiful day! It was a dolphin tour, but the dolphins were shy that day, but a great time was still had! Linda and John hosted a game night at their new home. Our group continues to get together in many ways! Another really fun activity we recently did was soup night! Aimee and Mitch invited all of us to come to their lovely home and bring a pot of soup to share. It was a cool evening, and all of the

soup was delicious. What a great idea! Speaking of Mitch and Aimee, the Corkscrewers want to congratulate their beautiful daughter, Sarene on her wedding in March! She and Carrie honeymooned in Costa Rica. No doubt they had a wonderful time! Best wishes to the happy couple! We hope that everyone had a nice Easter and wish all New Residents a very Happy Spring!

### FABULOUS FLIP FLOPS

Reporter-Diana Simpson

Well, it has been a while since the last FFF news submission. Many of us have been enjoying bocce, bowling, Cocktails on the Cape and the monthly dances over these last several months. We look forward to more of the same! In March some also attended the Everblades game and a trip or two to Hammonds Field to see the Twins and Red Sox play. Still others enjoyed a concert by the a cappella group, the Voices of Lee at a church in Ft. Myers, as well as another concert Easter evening at the same church. Our monthly pot lucks have been well attended with the snowbirds here. The March pot luck was held at Jerry and Munda Colyer's Condo Club House. Larry Day celebrated a BIG birthday, and Betty Day and Mildred Johnson celebrated little ones. Dawn Hentz and Patti Zysk will be celebrating their birthdays in April. Happy birthday to all!

### FUNSEEKERS

Reporter: Debbie Tkach

The Funseekers are having so much fun that some of us are too busy to report anything. We have all been here a year now and it has been wonderful. We have made more friends than we imagined and we are truly blessed that we chose this part of Florida to move to. A few from our group have had recent surgery and we are happy to report that they are healing nicely. Anne and Rex's Canadian visitors have headed home after a great stay in Cape Coral. They had a great time with boat rides, great dining out, bridge playing and just

hanging out. Anne and Rex will be heading to Key West on the Key West Express for a few days in March with friends from their previous home in Cape San Blas, Florida. Several of the Funseekers attended wine tasting at Cape Harbour this past month. Terry and Dana remain busy attending activities with the Funseekers Group. They enjoyed the German/American Festival and again are in awe over the beautiful Clydesdale Horses and the Dalmatian dog that travels with them. Great German food and ran into a few NRC friends while enjoying a warm February afternoon in Paradise. They also attended a Car Show, Irish Fest and dinner with friends. Terry keeps saying "Who said retirement life is boring, is not a member of the Cape Coral NRC. Life is good now and it's time to put our feet up and enjoy a glass of wine." The Ladies Luncheon at Miceli's was well done, not to mention the view from our outdoor seating with an abundance of sunshine and a nice breeze to keep a wonderful group of NRC ladies happy. It truly was a beautiful, relaxing afternoon. Of course, Terry out did herself dressing in the theme of red and Valentines. She looked marvelous! A group of NRC ladies had a quiet, but challenging evening at Paint Escape. We made some colorful projects and sipped on wine and nibbled on cheese as we pondered what to paint our ceramic piece. It is a great way to get to know one another and come home with a beautiful piece for our homes. To top this month off Cyndi and Bob hosted our Funseekers potluck and it was a hoot to say the least!! Thank you Cyndi and Bob. It was Cyndi's birthday and we were more than happy to help her eat the tasty cake her husband gave her. The monthly dance had a great turnout from our group. We had a great night of dancing with great friends, and as Terry says, "a night of dancing the pounds off". Debbie and Bob attended a car show down in Historic Fort Myers where they met up with friends from Buffalo and saw some of the NRC group. It was a beautiful day. After that they headed to the German American Festival for dancing and lots of fun, and needless to say, beer. After the monthly meeting they headed off to Ormond Beach to meet up with friends from Buffalo who stay down there for a few months. They have never been there and it was great. A lot of laughs catching up with everyone. They visited St. Augustine and went to The Casements, which was the winter home of John D. Rockefeller. It was beautiful and they had a wonderful time before heading back home. Bob continues going to boat building for the

17

Regatta, and who knows, maybe he will be able to build Debbie a yacht by the time this is done. Hey, you never know, you can dream! Until next month, enjoy Paradise.

**SUN RAYS**

Reporter-- Barb Swann

Random thoughts: As new Florida residents, many of us are experiencing something wonderful this season...reduced income taxes. Florida is one of the few states that does not collect an income tax and this may be partially why some of us moved here. While we must file for Uncle Sam, we may notice more money in our pockets because Florida does not take a tax on our income. But I'm sure we just go out and spend it. Remember our local businesses who support us. Dinner Dances: for those of you who have not attended, you are really missing out on a good time. As usual, February dance was a great success, thanks Elaine and all others responsible for putting it all together. Louise, Barb, Joe and Elaine visited the Manatee Park on one of the coldest mornings. Saw lots of gentle giants. Try it on a cool morning...before the temps rise and the animals go back out to the river. Barb Swann. From Joe and Elaine: Just some thoughts: What a difference a year makes. Last year moving in late February, wearing shorts and short sleeves thinking how hot it is at 60 degrees. This year weather goes into the 60's, out comes the long pants, long sleeve shirts and jackets. Even the dogs treat the weather differently. The Ohio dog is outside in the 60 degree weather relaxing and enjoying himself, the Florida born dog goes outside, does his business and runs back in and under the covers on the bed. And gardeners, this was the wrong winter to start a vegetable garden, September thru December too hot, January too wet, oh well live and learn. We were "adopted" by our Cuban neighbors, so now going to Spanish classes to be able to communicate better. A BIG THANK YOU to all those who supplied me with wine bottles for the February dance. You gave me enough that I could pick and choose the ones I wanted to use. Recycle day in our neighborhood was interesting, when our recycle bin was emptied into the truck the noise could compete with 4th of July fireworks, the large ones! Our neighbors must think we have a serious drinking problem! Made them even more curious when they saw us loading cases of wine into my car. Hope you liked what I did with them. And yet another request, when you are out and about and hear a band you think might be good for our dances, please let me know. For example, I am looking for a "country" type band, that can do country and rock (does such a combo exist?)...thinking about some line dancing but not a night of just line dancing. The band has to play good "dance to" music, not "listen to" music. Thanks again.

**Reporter: Alan Poland**

It is a Hoot of a day when the sun shines all day and we Hooters can play. Those of us who winter here have stopped shivering and now are spreading our wings to the warmer days and longer hours of light. Our big news is that our mascot Miss Hoot now has a fiancé named Mr. Hooter and they are an attractive couple thanks to the creative work of Marie. Thanks to Charlie Weis and our Chief Hooter Gary Eldred the Hooters membership contact list has been updated. Sixteen Hooters attended the monthly NRC meeting and learned about future economic development on the Cape. We all had a Hooting time at our potluck dinner hosted by Ray and Carol. We all were in awe of their magnificent wine cellar. Congrats to Tammy for passing her pharmacy test. The St. Patty's potluck held by John and Sophie was also a hoot of a time for those that attended. A flight of Hooters flew into Woody's for a Happy Hour March 11. It was a great evening for the thirsty owls. Planning is now underway for the Hooter Game Day / Pool Party / Cookout to be hosted by Gary and Marne. It's sure to be a splashing good time for the fun loving Hooters. Give a Hoot for Daylight Savings Time, so we all can have more fun.

How cute is our new "mascot" centerpiece made by the very creative Eve. We had 3 members of Party Palms step up for the next board, how exciting! Many of us went to the taste of cape and most of us went to a Hawaiian themed potluck hosted by Donna and Bill. Thank you both for inviting us to your home, good food and convo. Charo put together another lovely ladies lunch at AJI Limon, and some of the men went to the mens Breakfast.... I think our calendars are filling up quickly. I hosted a table at Dixie Roadhouse to benefit the Gulf Coast Humane Society, Cape Corals NO-Kill shelter,, our group alone Raised over \$300, I am so proud of us yea!! We are starting to say good-bye to a few members and friends that will be leaving us for the summer months. We are all so happy to have met you these past few months, so safe travels and we will see you in the fall.

The BBB of the Coral Capers met this month at Coconuts for lunch. We had a nice turn out with some friends who joined us. Tuesday, March 8th happen to be 'International Women's Day', the manager of Coconuts that day Mark Hendry, offered to buy ALL our lunches for Women's Day. What a generous and wonderful surprise! The food was good and we had a great time talking and planning next months fun get together. This past weekend several from our group met at the Sandy Hook on Matlacha for our monthly dinner/get together. Kim and Kevin had a house full of family come down to escape the cold and snow from up north. They enjoyed showing them around Cape Coral and SW Florida. Sherry and some friends took the Key-West Express down for the day and enjoyed Key West.

The women of the group like to do a little shopping before the music. We even celebrate birthdays while we are there. We Crabs love to dance and joined in at the monthly dance at the Yacht Club. Nauti Crabs get together for potlucks and just nights out with our new friends. We are getting into the bowling scene and are glad we do it just for fun. ## NRC MESSAGE FROM THE PRESIDENT

**April 2016**  
**Frank Catanese**  
**President, Board 97**

Greetings Fellow NRC Members and Graduates

Lots and lots of activities this month and lots and lots of members are here doing it all with us. The high season is a thing to behold. Not only are our events packed but so are the roads. Be extra careful when driving. It's a jungle out there.

Don't forget. Pat Wood and the team building the SS Minnow for this year's cardboard boat regatta. There are lots of hands involved and it's quite the project. This year the regatta is Saturday, April 16<sup>th</sup>. It was a great time last year and we took a bunch of awards. Hopefully you got your T-shirt and Hat (not necessary in order to attend – come anyway) and can join us on Saturday.

Board 97 is busy at work. Dances, breakfasts, luncheons, pot lucks, member socials and tons of activities all rule the days. Also working now with the soon to be Board 98 to get the members up to speed. Looks like we will have another great group.

Motorcycle riding is also starting up again. Keep your eyes and ears open. Rick Wise is putting it together. [rickw@insds.com](mailto:rickw@insds.com)

The Sunset Celebration changes times this month to 5:00. Please update your calendars. AND... Welcome Newcomers. We know you likely joined to make friends and to get involved with an active group that seeks out all the fun it can find. Well, you came to the right place.

Remember, this is YOUR Club. It's designed to help you make friends and have fun here in Cape Coral! We on Board 97 want to hear any suggestions or comments you may have to make the club better. Please reach out to us – email us, or grab us at the meetings, dance, or activities.

Sun tans, wind burn (from riding the motorcycle) and good times!
