August 1, 2018

Greetings to All NRC Members and Graduates,

Well it's August and Board 102 is midway thru our term of service. Those first three months are only a blur as Board 102 has worked hard to keep NRC hitting on all cylinders. The nominating committee has begun their task of finding those willing to serve on Board 103. If you are interested in finding out more, contact me or Nancy Harmon who leads the nominating committee. While being on the board does require a certain level of work, I can honestly say that it has been tons of fun and I have made many new friends.

Our speakers for the next two months will help us prepare for life in Cape Coral. This month, Dr. Jesse Spearo, Fire Emergency Management Division Manager, City of Cape Coral Fire Department will talk to us about hurricane preparedness. The following month, Robin Griffin will discuss how to cope with the challenges of making a move to Florida. I'm sure you won't want to miss out on these informative presentations.

The initiatives I outlined last month are moving forward. The video for the kiosks at the MVD are now on-line. Look for our ads if you have the "opportunity" to spend time at the motor vehicle office. Our website upgrade is also moving forward. We hope to go live with the new and improved website in the next few weeks

We do continue to have one problem. AOL thinks my emails to you are spam and will not deliver them to you. The only way we know to prevent this is to have you add info@capecoralnewresident.com to your contact list in AOL. If you have an AOL account, please make this change so we can continue to communicate with you by email.

As always, I encourage you to get involved with all the activities of the NRC. The Club offers a wide variety of fun events to the members as well as opportunities to learn about the community.

I look forward to meeting you personally as we move ahead making the NRC the best it can be.

Mike Jones

President Board 102

NRC Group News

Paradise Parrots

July 2016

Reporter - Bridgette Bonatsos

The Parrots would have become graduates this month but now get to spend an extra year as regular members and not graduates yet.

This month a group of Parrots spent the 4th of July on a boat to see fireworks. A group went to Stone Crab cruise with NRC and on a Sunset Cruise out of Ft. Myers. Bridgette has been spending time taking pictures at NRC gatherings. Check out NRC Shutterfly to get a look at pictures.

More to come next month so stand by.

Bad Buoy and Nauti Gulls

August 2016

Reporter - Gene Kadele

Sadly, we bid farewell to two dear friends who were charter BBNG members. Michele and Harry have returned to New Hampshire to be closer to family. Michele provided daily facebook updates and "selfies" from the back seat of their car as they made the trip back. Many thanks to Regina and Don who hosted a get together to say goodbye to them. A great time was had by all.

Hearty congratulations to Annel! She completed the Tri Fort De Soto International and Sprint Series which is a half mile swim, 20 mile bike ride, and a 10 k run. Further, she took 1st place in her division. Congratulations as well to Jennifer who also completed the series taking 2nd place in her division.

Ten of our group enjoyed a sunset cruise on Angelo's birthday. Saw LOTS of dolphins and manatees. And speaking of dolphins, Regina, Don, Chuck, Jane, their son and

daughter-in-law and four grandkids just returned from the Everglades where they all did an airboat ride seeing dolphins, raccoons and alligators. A highlight was having the grandchildren hold a baby 'gator. Of course everyone lunched on burgers and 'gator bites. (Does it really taste like chicken?)

Twisted Turtles

September 2016

Reporter - Sharon Victor

Everyone has been busy back in Turtle Land AKA Cape Coral. This month's birthday bash was held at Farm to Fork in Fort Myers Beach. The water was clear, the food and company were great. August venue is being discussed.

Bocci ball is on hold for now until it's a little cooler outside.

Turtle women continue to enjoy the NRC ladies luncheon and the men enjoy the men's breakfast.

We look forward to everyone returning to the Cape from summer vacations so we can all reunite. Twisted Turtles turtle tracks out.

The Happy Owls

October 2016

Reporter - Sue Ford

Another month under our belt and life is good in Paradise.

Many of our Owl friends are still away, dodging the heat, either traveling or spending time at their summer homes. Hopefully they're getting their fill of visiting family and friends because we want them back!

There is no doubt about it, it has been another hot, hot, hot summer. That's okay. Putting up with this steamy weather will be just a memory when winter rolls around

and we are still in shorts, tees and flip-flops but our Northern friends are shoveling all that white stuff - and we're not talking about the snow white sand we get to enjoy

Word is one of our Owl friends spent a bit of time in Key West. From the pictures we saw, he certainly enjoyed himself. And while the few Owls that didn't escape to the North continue to meet for bocce, bowling, trivia and game nights, we are all looking forward to our full flock returning!

Doug and Linda Millinger stopped by Sturgis, ND to visit fellow Pelican Briefs Dan and Wendy Smith!

Rock The Boat

March/April 2017
Reporter - Scott Cruzen

As promised in last month's report, several more Rock-the-Boaters did try out the dancing lessons at Rhythm in Motion where we attempted to learn to tango. It was a lot of fun but a couple of us learned that we actually have THREE left feet. Don't know where that third foot has been hiding all these years, but it kept popping out at random unexpected times in the middle of the dance and nearly sending us to the floor in a heap. Maybe we'll have better luck in August with the East Coast Swing (yeah, right!)

A group of us got together for a house party to watch the Red, White, and Boom fireworks and, despite the early downpour, were able to see a pretty good show and

enjoy a great dinner. A couple of Rock-the-Boat couples took a boat ride up to Cabbage Key for lunch, but got ejected because apparently the restaurant there is not fido friendly, so the captain, being a dog, elected to go elsewhere. We've also been filling in our time enjoying diverse activities such as cocktail parties, dinners, movies, and jewelry-making parties.

Dancing Dolphins

Fun times for some of the Dolphins. The Ladies again had their own luncheon for this month as always had a good turn out lot's of laughs, drinks and some yummy food.

Smitty & Bruce had some extensive CPR training with C.E.R.T which was very Informative for all of the participants.

We have Birthday months and this month Ms. Cori decided that she was having the birthday dinner party in her lovely home for 14 of us. Her brother Joe cooked chili which everyone said it was the best they had ever tasted, plus a delicious chicken pasta dish. Cori had many appetizers and two full bars to choose your drink of choice. No one was lacking something to drink it was fabulous!! For dessert we had a beautiful white cake with a cannoli filling, for the July birthdays. (Gary and GiGi)

What a really fun great time we all had at Cori's, thank you from all of us and for cooking, Joe.

Seas the Days

Well we were able to get our clubs and golf balls but the weather did not hold up and the course was full of water. So we went to Uncle Angelos for dinner. We had a great time. My sister, Barb Byrnes is here from Baltimore and joined us with her friend Patricia Kelly Rome. Mary Jane and Bruce Bertel, Linda Hus Manes, Linda and Bob Marchione and Vicki Polster Bowe and Roger were here at the restaurant. Frank Ohl suggest the Eggplant Parmesan and it did not disappoint. Everyone enjoyed their dinners!

Welcome back home to Mary Juza and Terrell Ott from their month-long "sponge tour." Karen Peltola admirably kept the group's activities running during Mary's absence. In lieu of a potluck dinner at a member's home, we met at Fathom's for dinner. Former NRC members Kelly and Kevin joined us for a very pleasant evening. We had a great luncheon at Nervous Nellie's on Fort Myers Beach and several members enjoyed the Dolphin/Sunset Cruise and the tour of the Wicked Dolphin distillery.

Members Mike and Cindy Wasilak will be returning to the Cape soon and will make it their year-round home. We look forward to seeing them again and our other members who will be returning in the next few months.

Our group had its potluck at the Arvay residence on 7/12/18. We are planning a dominoes night near month end. This may be future themed nights.

Dale and Robert Pruiett have been kayaking on recent Saturday mornings. The algae problem is forcing us to look at other fresh water canal locations.

Pickle ball is moving indoors this week. We have been meeting on Monday and Thursday mornings. Most of our members are gone for the summer or are traveling so our attendance has been minimal.

Greg and Sue are still trying to negotiate the dance floor to learn the rumba. The ladies lunch gathered five of our group to laugh and eat. Mary scored a raffle prize and Jean's sister won the 50/50!

Had a small group to enjoy the potluck at Mary and Don's, but what a wonderful pork roast they served. Cheryl passed out our name badges and they really turned out great. Some of the board members came and we managed to sign up Don for 2VP, Sherri For Ladies Lunch and Sue for Activities. Nancy Harmon was especially persuasive and we couldn't resist!

Singles Group

Reporter - Donna Milbee
milbeed@ymail.com

Our group is a network of singles from all of the current NRC Groups as well as Graduates. Our primary purpose is to be an avenue for single men and women in the NRC to meet other singles with similar interests. At our monthly Singles' Social we gather with friends, greet new faces and make plans.

There were two dozen folks at Kathy McAdam's pot luck but she provided so much wonderful food we could have fed an army!! One dozen gathered at JC Park for one of their Thursday Jam Sessions. And speaking of food, 9 of our group ate and drank our way across Key West last week. Doggy dinners are still well-attended and scheduled the last Friday of every month at the Big Blue Brewery at 5:30.

We Singles also like to play dominos, euchre, pickleball, bocce, bowl and dance! Here are some upcoming activities this month: NRC Dance! Request Singles as your seating preference and join the fun! Several of us are taking dance lessons on Wednesdays at 7 pm at Four Freedoms Park. Everyone is welcome. Email me for more details.

Our Pickleball group is "shrinking" due mainly to the snowbirds that have left town, but also due to the hot weather. We do still try to play when we can. Our best suggestion is to use the Pickleball email list (please contact me if you'd like me to put your name and contact information on it or if you need another copy) and use it to schedule individual games at times that suit those who want to play.

Kayak Group

Dale Arvay and I went kayaking at Bimini Basin and near 4 Mile Cove over a couple of weekends. There was lots of algae. Not so much fun. I did check out Serenia Vista park this week and it seemed algae free.

Here are a couple of places to rent Kayaks that people in the group have used.

- **Carmen's Kayaks** – 239-333-7332. Carmen will drop it off and pick it up at the site. Carmen said that she drops them off at several places and even does guided tours.
- **Gulf Coast Kayak** on Pine Island Rd. They have done

some event for the NRC in the past.

An updated Kayak Group email list for August has been sent out. If you want to have your information added to the mailing list, contact Robert Pruiett at rjpruiett.nrc@gmail.com. As always, I am just the keeper of the list. If you want to go out kayaking, use this list and invite people. We all love to kayak so just ask.

Book Club

Almost everyone enjoyed reading "Caroline: Little House Revisited." There was plenty to talk about!

When we met, several said they were having trouble getting through the selection for next month: THINKING FAST AND SLOW by Daniel Kahneman

So our leader, Karen Solgard, came up with a capital idea—each of us choose one chapter to read! Put the chapter you've chosen on our Facebook page. So whether you read the whole book, one chapter, or none of it, I hope you'll come to the meeting anyway. We're guessing the discussion will go well beyond the literal content of the book.

So hope to see you on August 10 at the 1221 Executive Bldg, 1221 SE 47th Street at 9 AM.

NRC Members Enjoying Paradise

Welcoming Newcomers for 50 Years

Welcome to Cape Coral, your own Slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give new-comers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 51st year.

Membership is open to anyone who has resided in Cape Coral for three years or less. If you've been here longer than that, you can still join the NRC, since each year there is an opportunity for "open enrollment" for all residents, regard-less of length of residency.

The three-year membership fee is \$45 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities and participates in events held by the NRC as a whole.

After three years of NRC membership, you will "matriculate" with your group to become a graduate member. You are still in the NRC and, as graduates, strongly encouraged to continue to attend all NRC meetings, activities, and events, as well as continuing your group activities with other Club members.

The NRC holds a general meeting at 9:15am on the first Tuesday of each month at the Yacht Club

Please join us at the general meeting for coffee and a light snack, and get acquainted with the most dynamic social group in the Cape.

We welcome you!

Welcome to our new members for July 2018!
