MESSAGE FROM THE NRC PRESIDENT

Greetings NRC Members and Graduates,

This month as we celebrate the Fourth of July holiday, we should remember what the day really means in our history. We all enjoy the freedoms that were a gift to us from our forefathers years ago.

One of those freedoms is the ability to join together in a social club such as the NRC. We have our own traditions of the past 50 years, such as welcoming newcomers, building new friendships, and making memories.

July is the mid term for Board 100. Each board serves for 6 months, that allows the club to continue to get new ideas and keep the club moving forward.

This month, we will appoint a nominating committee to begin the process of recruiting members for Board 101. For those of you who have ideas you would like to see implemented, this is your chance. Please consider volunteering for a Board position. Board 101 will serve from November thru April.

And to our new members, don't feel like you are too new. You will meet many more new people and learn the details as to how the NRC really works.

Please consider volunteering!

What's not to like? We live in paradise.

Kathie

GENERAL MEMBERSHIP MEETINGS

Guest Speakers at the Last General Membership Meeting

June 6, 2017

The Executive Director of the *Cape Coral Caring Center*, **Julie Ferguson**, thanked the NRC for our many years of support. The CCCC, founded in 1990, is the leading provider of emergency assistance to Cape Coral residents, providing access to the food pantry, assistance in obtaining employment, and financial support for utility bills. In addition, Thanksgiving and Christmas dinners are distributed during the holidays, as well as toys for children. Last year the NRC contributed 7,000 pounds of food to the CCCC, and this year we are on track to double our contribution. In 2016 the CCCC distributed a total of 145 tons to 4,300 families (12,000 people) in our community. **Ms. Ferguson** invited our members to tour the *Caring Center* facility at 4645 SE 15th Ave, which employs three staff and 100 volunteers.

Kevin McNamara of *239 Style Media Group*, introduced his periodical, *Cape Style Magazine*, a free publication focused on living in Cape Coral. Of particular interest is an upcoming article highlighting our New Resident Club's 50th Anniversary.

Andreas Dolleschal, President of *Smargasy Creative Solutions*, provided an overview of cyber threats in today's digital world. He stressed the importance of preventing Internet-related problems by educating consumers on the nature and scope of threats, using firewalls, properly configuring computer systems, and adopting the philosophy of "trust nobody."

Guest Speakers for the July Membership Meeting

Jim Farrell, Chief Meteorologist for WINK television, Channel 5, and local celebrity.

Dana Brunett, Cape Coral's Economic Development Manager.

Guest Speakers for the August Membership Meeting

Jesse Spearo, Division Manager of Emergency Management, City of Cape Coral.

A representative of **Quest Corp.**, design firm for the SE 47th Terrace improvement project, and also the designer of the infamous and highly controversial *ROUNDAABOUT*.

Our group gathered at Jean and Tom's home for a Cinco de Mayo party. Great friends, weather, and food.

The ladies met this past month for lunch at Fin's. Julie spent Mother's Day visiting her family in Missouri. Mark and Julie hosted a Memorial Day get-together at their home - great time and lots of good food.

Several from our group will be traveling to see family and friends out-of-state this summer.

November/December 2015

When we last left the *Party Palms*, approximately 20 of the original 50 were remaining in Florida for the summer. However, the benefit is the ease in planning activities for a smaller group.

The first Bunco Party for the *Party Palms* women was held in June at Pat's house (Karel's sister and an honorary *PP*) and the following night Bud and Rhonda hosted a game night. Both parties were a success which led to Pat offering another Bunco party for guys and gals a week later. "Party Patti" was the big winner at that game but I'm

always suspicious of players who wear green eye shades to a game night.

On Saturday, June 10th, Ted and Carolyn hosted a small dinner party for the "orphans" (those whose spouses or SOs travelled north and left their mates here). The success of intimate dinner parties at home with friends, and the key to an unforgettable celebration, is careful planning and details, details, details! The highlight of the evening was Carolyn's special sorbet, rum and berry dessert.

On the 14th a small group of *PPs* went to Pinchers for Cocktails on the Cape. Although we had dined there previously, the food seemed much better. Perhaps it was the company? It was a great evening meeting old friends and making new ones - Donna and Dave.

On the 20th, a dozen *PPs* met for an informal lunch at Papa Joe's to wish Margaret *bon voyage*. She is travelling north to her Maryland summer home. Kathy left last month to visit friends and

family in Washington DC where she maintains a second home. Why DC? Kathy was a gun-toting, shield-carrying agent for a federal agency so secret we can't mention its name. If you buy her a glass of wine however she'll spill the beans (but not the wine).

A considerable number of *PP* women are planning to attend the NRC Ladies' Luncheon, and the food is expected to be excellent according to our NRC Newsletter.

Several of the *Party Palms* have signed up for the June dinner dance, are planning a brunch at Palmetto Pines, and have also signed up for a tour of the Big Blue Brewery.

The *PP* fishermen have decided to take off the months of June and July due to the extreme heat and the fact the fish will also. It's funny, but great summer pastimes like fishing are supposed to make memories that will last a lifetime. We have nothing to remember... Curses!

Johnny organized the first annual *No Egrets* Putt Putt Golf Outing. It was held at the new Tropical Breeze Fun Park. It was a great time and we are looking forward to next year's outing. Thanks Johnny, great idea!

The *No Egrets* ladies held Ladies' Night Out at Fins and Point 57. The ladies report a great time and gave high marks to both locations.

The guys' "Docktails" was held at the Cape Coral Brewery. The beverages were great, the band was super, and we enjoyed discovering that you can order pizza there.

Cate and John hosted a "Tiki Hut" completion celebration. Wow! What a great time. There was plenty of food as usual, good music, pool time, and of

course enjoying the new Tiki Hut and dock area; great views and breezes. Pool time got a little crazy with the big water gun fight between Johnny and Lea. I think Lea got the upper hand with her "sneak attack" on Johnny.

One of our monthly Dinner Club outings were held at Fathoms at Cape Harbor. It also served as a great snowbird send-off for Cate and John. Fifteen *No Egrets* attended.

We also enjoyed dining at Tarpon Lodge and Restaurant, a beautiful location with rich history, located on Pine Island.

The wine connoisseurs enjoyed wine tasting along with painting their own wine glass at Painting Wine Glasses at Barb's. Sounded like a blast. Cate had this to say, "Lea had to relax her face. She hurt it when laughing too hard at my bearded palm tree...My wineglass turned out every bit as good as my blindfolded sketch."

No Egrets also participated in the Cardboard Boat Regatta, danced at the Monkey Bar, boated with friends, fished with the guys, attended the NRC monthly meeting, and enjoyed the Sunset Celebration.

Paradise Parrots

July 2016

June was another busy month for the *Parrots*. The monthly potluck with a yummy pork theme was held at Jim and Chris Smith's home in the Northwest. The Smiths always make our crowd feel like special company....because we ARE! They are wonderful hosts.

No one played horseshoes mid-river in the Caloosahatchee, much to the gators' chagrin, but there were dance lessons yet to be had and still enjoyed at Suzanne's Dance in the Royal Palm Square.

Two *Parrot* couples enjoyed the Broadway Palms' production of *Jesus Christ Superstar*. What a set of pipes on the singer who played Judas! The actress who played Mary Magdalene was no Yvonne Elliman, but she did have a beautiful voice.

Parrots continue to stand up to the plate to assist their fellows, with Gary Austin filling in for Steve Andreson for

PM Refreshments at the May dance. I heard that Bob Janet helped as well? In any case, there were so many *Parrots* at the dance that we needed two full tables for the lot of us.

An emergency water ban was in effect causing our lawns to crunch and plants to shrivel. The watering police patrolled the streets handing out citations left and right and then, in the blink of an eye, we turn around and the ban is off, citations are fewer, our lawns are greener, and tropical is the color of the season. See? We have seasonal changes here too.

Congratulations to Martha & Dave for the marriage of their daughter, Lindsay. The rain held out for them as they enjoyed a fabulous day celebrating that blessed event. We wish Lindsay & Jonathan many years of happiness.

The rain came early and the sky was clear for us to enjoy Pot Luck and a wonderful time at Jennifer & Scott's beautiful home. Rusty & Sophia, Vizsla pups, were not all that pleased with us being there. I'm sure they got some extra special attention when the party was over.

A few of us *BBs* & *NGs* attended (or maybe invaded) the James E Hendry Chapter's American Hibiscus Sale in Fort Myers. Bob, a member and hibiscus expert, told us to be prepared.(for what? It's just plants !). The doors opened and hundreds of people flooded in and cleared the tables of the exotic plants in minutes with hopes of keep-

ing them alive and blooming beautifully. A few of the plants that our group members bought have been blooming from the get-go, unfortunately there are also a few that are still just green with no buds in sight. Right? Or is it just Michele and Harry's plants that are non-bloomers? Anyway - so get this - Ken and Linda moseyed in, won a hibiscus plant door prize, brought it home, went on vacation for a few days, and returned home to a bloom the size of Canada ! Eh?

Thank you NRC for bringing us all together to share our news and knowledge with each other.

The *TT* have been active this month. Linda & Rick Nusser, Barry & Lucy Schwartz and Karen & Bob Charpentier represented the *Turtles* at Cocktails on the Cape.

Also on the agenda was an outing at Greenwells Fun Park. While a thunderstorm prevented us from participating in miniature golf and go-karting, we had many laughs while socializing over dinner at the Dugout.

Linda Nusser came up with a unique idea: **BirthDay Bash**. This is a night out on the town, including dinner, for those with a birthday that month. The inaugural outing at Micelli's was a great success, even though Theresa Hartman and Cheryl Peck had to endure "Happy Birthday" as sung by the rest of the table.

Summer seems to be upon us in full force. As the heat builds more and more of our *Owls* seem to be heading to the cooler Northern climate.

Bowling and Bocce continue to be the games of choice among our *Owl* friends.

A pair of our *Owls* returned from Italy with tales of the great time they had, but they didn't stick around long enough to show off all the pictures they took. They had to head right out to meet their new granddaughter, Arianna. Congratulations Darla and Dennis!

Another of our feathered friends participated in Cape Coral's Burrowing Owl census. And a pair of our *Owls* is trading one Cape for another (Cape Coral for Cape Cod) and spending the summer months enjoying the beaches a little further north. It won't be a permanent trade - trust me on this - the waters up North never actually get warm.

Congratulations to Julie Zeiher and Pete Harkovitch for announcing their engagement earlier this month ! And Happy 33rd Anniversary to Cheryl and Brad Perine !

Phil Botana and Sharyn Waidzunas (I always have to recheck that spelling) are continuing to work on their house, due to be finished in July. Ed and Pat Deles are leaving soon to visit family in Chicago for 2 weeks. Ed and Pat also had dinner at Judy and Denny Morris' lovely home and went fishing off of their dock.

Susan Oliver and Rick Robison had a great time in South Africa but were

happy to be home. Susan's daughter Danielle recently left on a long hike of the Continental Divide Trail, from Canada to Mexico, so prayers are appreciated to keep this adventurous young lady safe.

Linda and Doug Millinger sure are living the dream. They recently had their second wedding of the summer with the marriage of their son, Kyle; saw their daughter receive her Masters degree from THE Ohio State University (had to throw that in there); celebrated their own 32nd anniversary; and went on a trip to Alaska.

Tony and Tish Maceri also saw their daughter graduating college, and have another daughter getting married next month.

Wendy and Dan Smith continue to get ready for Biker Week in Sturgis coming up.

We got to see our finalized group logo which will be on our name tags. Thanks so much to Bobby Davis for the great drawing for our logo !

The group has a few more gatherings in the works, from a great game of bridge to fun times going to an Escape Room !

Q. Who is currently the oldest NRC member?

A. We don't know. Surprisingly, nobody has stepped up to claim that title.

Q. Why are there so many members on the NRC Board?

A. The NRC is like a machine with many moving parts. Each Board Member has specific duties and, believe me, we all keep busy carrying out those duties to the best of our abilities.

Q. Some of the articles in the newsletter have type that is too small to read. Can you enlarge the print so we can read it more comfortably?

A. This has been mentioned before and we are considering the use of different fonts to improve the readability of the newsletter without unduly reducing the amount of content, since we are not able to increase the number of pages per issue. As a service to our members, we are considering the possibility of issuing reading glasses to those having difficulty with 9-point sans serif fonts. The neoplastic chair is a rather difficult person, with strong opinions about pretty much everything, so getting him to listen to others is a little like pulling teeth. We prefer to not provoke him or call attention to his inability to play nice with others. His hero is President Trump, whose tweets he considers intellectual achievements and high literature, so what do you expect from

New Resident Club People and Places

Welcoming Newcomers for 50 years

Welcome to Cape Coral, your own slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 50th year.

Membership is open to anyone who has resided in Cape Coral for three years or less. If you've been here longer than that, you can still join the NRC; every September is "open enrollment" for all residents, regardless of length of residency.

The two-year membership fee is \$45 per person.

Everyone joining will be members of a group consisting of those starting that month. Commonly the groups number two to three dozen. Each group holds its own activities as well as participating in events held by the NRC as a whole.

After two years of NRC membership, you will "matriculate" with your group to become a graduate member. You are still in the NRC, but now you have the option to also join the Cape Coral Social Club.

Graduates are strongly encouraged to continue to attend all NRC meetings, activities and events, and your group activities with other Club members.

The NRC holds a general meeting at 9:15 am on the first Tuesday of each month at the Yacht Club.

Please join us at the general meeting for coffee and a light snack, and get acquainted with the most dynamic social group in the Cape.

For additional information, visit the NRC website at:
www.capecoralnewresident.com,
or Skip Kitchen, 630-327-9000.

Looking Ahead

Save the date for the *Beatles Tribute*, coming to Cultural Park Theater on

Friday, September 1st.

Liverpool Live, a band that includes former Disney World cast members, is coming to take you away on a magical mystery tour of the Beatles era.

The NRC will have its own section of seats, and will have a door prize drawing as well.

Cost is \$20 per non-refundable ticket (which does not include a ticket to ride - those cost extra).

Sign up before Noon on Monday, August 7th, at the NRC General Meeting or on capecoralnewresident.com.
