June 1, 2018

Greetings to All NRC Members and Graduates,

Well the first month of Board 102 has flown by. I have had the opportunity to meet lots of new people, experience several learning situations and overall have a great time.

Our board is working hard to maintain the traditions of the past while introducing ideas and opportunities to move the club forward. Several of our initiatives focus on getting the word out about NRC to attract new members. One of these initiatives is to advertise for new members on the video kiosks at the Cape Coral Department of Motor Vehicles. Every new resident in Cape Coral gets to sit in those uncomfortable chairs waiting for their turn to get car tags and license. NRC will be running adds for the club on the TV screens telling newcomers what we offer and how to get in touch with us.

Another initiative is the update of our website. Past President Board 101 Rick Robison is leading a group to make that happen. We plan on having the new and improved website in operation in the next two months.

As always, I encourage you all to get involved with all the activities of the NRC. The Club offers a wide variety of fun events to the members as well as opportunities to learn about the community.

I look forward to meeting you personally as we move ahead making the NRC the best it can be.

Mike Jones

General Membership Meetings

General Membership Meeting, May 1, 2018

Mike Jones President of Board 102 called the meeting to order at 0916 a.m. The meeting began with the Pledge of Allegiance, after which the new member table was welcomed and recognized and reminded to stay after the meeting for a photo.

The president introduced Rick Robison, past President Board 101, who gave an update on a meeting with the city on how the city is rectifying the environmental situation on the Bimini Basin. All the squatters have vacated. Twelve boats remain, which will cost the city \$5-\$10 thousand for removal. E.coli levels are dropping but remain above acceptable levels.

The president reminded members to pick up their Boat Regatta tee shirts that they had previously ordered.

Speakers: JoAnn Alardo, Board President of Cape Coral Animal Shelter, gave background and current plans for the long-awaited opening. The shelter will be located on 4.6 acres leased from the city. The shelter will offer community outreach with educational field trips for schools. Cape Coral Technical College will utilize the shelter for their vet tech students. The shelter will also be used as a holding area for Lee County Animal Services. If anyone is interested in volunteering visit www.capecoralanimalshelter.com.

The President made the following announcements:

- Board 102 is still in need of a lead Photo Historian
- A Constitutional Amendment has been proposed to extend membership from the current two years to three years. This is proposed to provide a larger pool of members for future board positions. The vote on the amendment will be held at the June General Membership Meeting.

Activities: Rick Robison, on behalf of Steve Andresen (Activities Chair) gave an update on the following activities

- Standup comedy at the Laugh In Comedy Café is on May 17.
- Cocktails on the Cape is at Hurricanes Bar and Grill on May 22.

Dinner Dance: Marc Weitzenkorn encouraged the membership to attend. The theme will be Red White and Blue-Let's Salute our Heroes. Marc invited the membership to wear their military attire and asked if anyone had military hats that the club could borrow for display during the dance.

Ladies Luncheon: Nora Hoover reminded everyone that the Ladies Luncheon is the third Thursday of the month. This month the luncheon is at Rum Runners on May 17th at noon. This is a pre-pay event. Nora asked for volunteers to help with the luncheon.

Pickleball: Time listed in the newsletter was corrected.

Mr. Jones thanked the members who worked on the boats for the Cardboard Boat Regatta. With the cancellation of the Regatta, the boats are being stored with intent to use next year. JoEllen Jones asked membership to review April Minutes printed in the newsletter. Minutes were accepted without correction. John Stevens presented the April financial report. The report was accepted. See financial report in newsletter. Nancy Harmon introduced the new members.

The meeting was adjourned at 10:45am followed by the raffle.

Interesting Facts About the Month of June (Some are Actually True)

- June takes its name from Juno, the Roman goddess of marriage, which is why...well, you get it.
- Juno was the daughter of [Saturn](#), she was also the wife of [Jupiter](#) and the mother of [Mars](#), and several other troublemaking Roman gods
- No month in any given year ever starts or ends on the same day of the week as June.
- Alexandrite, Moonstone, and Pearl are June's birthstones in case you messed up and need a last minute gift idea.
- Hernando DeSoto claimed Florida for Spain on **June 3rd, 1539**.
- June 1st marks the official start of hurricane season, although only 5 percent of the tropical storms in the Atlantic since 1851 have occurred in June. The last hurricane occurring in June was Category 3 Alma, which hit the Florida Keys June 8th, 1966. Even so, it's best to prepare.

NRC Group News

Margarita Madness

May/June 2016

Reporter - Cindy Olsen

Madness has been very busy enjoying life since our last report. Living in paradise surrounded by such a great group of people has been a blessing. Tim hosted the Cinco de Mayo cookout which was a huge success and of course the Margarita machine was running full blast. Lots of good food and fun times had by all.

Gayle and David slipped off to Bermuda on a short cruise to celebrate their anniversary. They also had the grandkids come for a visit from North Carolina. In June they David is taking the grandsons on a fly fishing trip to Canada and they will be closing on a new house here in the Cape. They were searching for a house where they could get the boat out quicker to the fishing grounds and have found the perfect place. We all wish them the very best in their new home.

Nancy and Steve are off to Disney this month to pay a visit to Mickey and the gang and then they are headed to Cape Cod/Boston for a long weekend. We hope they have a great time and we are sure they will have some stories to tell on their return.

Bob and Cindy spent a few weeks on a river cruise from Zurich, through Germany and Luxembourg, to Paris. It was a truly wonderful trip. The area has so much history and the churches are unbelievable. Paris was the highlight with daytrips to Versailles, Notre Dame and the Louvre. Versailles was magnificent and they hope to go back soon to spend more time there.

When we solicited input for this report Kathie summed it up the best. As we near graduation this month thinking back to our first

get together at Dale Ford's house, we didn't know anyone. The last two years have brought us many friendships. Five of our members have served on the NRC board and Bob and Cindy host the NRC Cardboard boat build. We have all learned so much about Cape Coral and the surrounding area by participating in the NRC activities. And we all survived Irma. It was a great decision to join this club. Now we are all hoping the coming vote to extend group membership to 3 years gets all the votes so that we can continue on for another year. It goes without saying that we all vote yes.

Paradise Parrots

July 2016

Reporter - Bridgette Bonsatsos

Our group of Parrots has been up to a lot since last Newsletter:

One of our Parrots Steve Andreson has taken a position on new NRC Board as Activities director. So Steve and Linda along with some of other Parrots had had some fun with some of the great activities such as Murder Mystery Train, a great time. Miracles Baseball Game and a Comedy Club night at Laugh in Café in Ft. Myers. So Parrots lets support Steve and find things for the whole NRC to do that we can all attend and have fun.

We have had two Potlucks. First at Prawnbrokers for April. Thanks to Gary and Nancy Austin. The Potluck was well attended by about 20 Parrots, great company and food. Second was at Cristoffs for May, set up by Rhoda. Thanks Rhoda, also great company again about 20 Parrots attended. Great company and great food.

A group of the Parrot ladies are still working out, taking Yoga

classes at the Wellness Center. Rhoda, Chris and Michele are line dancing on Tuesdays and Fridays at the Tony Rotino Center. 4 of the Parrot couples are also still enjoying ballroom dancing at Suzanne's in Ft. Myers.

Jim and Chris took a week cruise to Cuba. Went to Havana, Cienfuegos and Santiago de Cuba. Chris says they had a fabulous time.

Bad Buoys and Nauti Gulls

August 2016

Reporter - Michele McKay

What just happened!?!?

Our heads are spinning because May was a very busy month for us. May Day, Cinco de Mayo, Kentucky Derby, Mothers' Day, Royal Wedding and, saving the best for last, Pot Luck at Angelo's and Mary's home where we got to meet the infamous Zoe, their very cute and extremely lovable puppy. As you can see, it's been a whirlwind month and we've had so much fun.

How about that Nauti Gull, Anne? She trained hard and competed in another triathlon. Congratulations to our friend! Anne is an inspiration to everybody who knows her.

NRC Group News

Well wishes go out to Linda Y. who has had to slow down a bit to heal her broken leg. She can't get out on the golf course yet, but she does get out to play a mighty mean game of Mahjong.

Thank you NRC for bringing us together for some of the strongest friendships we will ever have.

The Happy Owls

October 2016

Reporter - Sue Ford

Another month has come and gone and our owl friends are heading towards the end of our 2 year membership. What they say is right - time really does fly when you're having fun. And speaking of fun, there were a couple of owls (we're just going to call them Thelma and Louise) who took a cross country journey. They took the entire month of May to visit our beautiful country.

There were stops at places every American should visit: The Grand Canyon, Yellowstone National Park, The Hoover Dam, Mount Rushmore, and the list goes on and on. The journey was so much fun, I'm pleased to report that Thelma and Louise didn't need to drive off any cliff!

Meanwhile, back in beautiful Cape Coral other owl friends continue to gather at the usual spots: bocce, bowling, game nights, sunset celebration, Ladies Luncheon and Dinner Dances in addition to trivia. And, we're not bragging (much), but there are some owls on a trivia team that has won more than a few trivia contests. Life is good, and lots of fun, in Paradise.

Rock The Boat

March/April 2017
Reporter - Scott Cruzen

Rock-the-Boaters just keep on...well, rockin' I guess. Many of us have been getting together for lunches, dinners and cocktails, trying out the local gustatory establishments, as well as invading each other's homes. Boat excursions continue to be a big theme, as some of us subscribe to the advice Rat gave Mole in "Wind in the Willows": *"There is nothing — absolutely nothing — half so much worth doing as simply messing about in boats."* (Or as expensive, some of us might add.) Since many of us moved to Cape Coral out of a desire to be on, in, or near the water, we're taking full advantage any time the weather is conducive. We attempted to do a "Cinco de Mayo" boat convoy/cookout but the weather had other ideas, so we delayed it a day and established a new tradition we cleverly dubbed "Seis de Mayo" instead. Two boatloads of us had a great time anchored off Sanibel grilling brats, making beer and wine disappear, and splashing about in the Gulf. No one was seriously injured and we came back with the same number of people we left with, so the event was a complete success. Next year we're thinking of repeating the event with a deli sandwich picnic theme and calling it "Seize da Mayo."

A posse of Rock-the-Boaters attended the NRC-sponsored Comedy Club excursion, and between the food and the three excellent performers, our guts were thoroughly busted. In our collective expert opinion, this should become a regular event and we're all looking forward to the next outing. We have been taking full advantage of the events sponsored by the NRC, with groups of us enjoying

Cocktails on the Cape, the monthly dances, and other activities. Ted and Nancy had a great time on an extended holiday touring Greece. We're all glad to have them back because, basically, we had all pretty much forgotten what they look like.

A group of Rock-the-Boat ladies used the royal wedding as an excuse to throw a party (as if an excuse was needed!) Since the event occurred so early here in the US, they gathered in their PJs, drank mimosas, ate a potluck breakfast, and had a "most outlandish hat" contest. Utterly baffled by these goings-on, the menfolk decided the best way to commemorate the royal event was by sleeping in.

Six Rock-the-Boaters have taken positions on NRC Board 102, so we have been busy learning our jobs and meeting new folks. New president Mike and Secretary JoEllen threw a "Get Acquainted" party for members and spouses of the new board. Our Board 101 advisors told scary stories about what the hapless Board 102 electees had gotten themselves into. We don't believe a word of it.

met at Rusty's to celebrate May birthdays. Happy birthday to Ann and Smitty! Cori "baked". (smile) There was dancing and it was enjoyed. Cori also attended N.R.C. Ladies Luncheon at Rumrunners and laughed out loud at the Laugh In Comedy Cafe along with scores of N.R.C. members.

Some of our group just love the dances the NRC puts on and get to them as much as possible.

Nancy Finnegan, Vicky and Roger Polster, Mary Jane and Bruce Bertel and Linda and Phil Manes went to Cocktails on the Cape. We had fun catching up with each other.

Nancy is heading back to Baltimore June 4th to 17th to visit family and take her Moms ashes back home. Then back again in July for a graduation party.

We are planning a mini golf adventure followed by dinner at Uncle Angelo's in June and planning on seeing a ball game for the Fort Myers Miracles.

NRC Group News

We had a discussion about bowling, do you like big balls or little balls? Well that was the question of the night, meaning duckpins or tenpins! We had many laughs over that one!

Just back from the potluck at Linda and Bob Marchone's house, they had all the fixin's for taco's tonight, yummy!

Jan, Margo, Nancy, Frank, Peggy, Howie, Linda, Phil and Mary Jane and Bruce were in attendance. What a fun night!

Lots of action this past month with some members heading home to Indiana, Illinois, Pennsylvania, Wisconsin, and Vermont. Before they left, we filled two tables at the Luau dinner dance and celebrated Carol and Bob Arnholt's 40th wedding anniversary with them.

Bob and Marilee Conroy made it back from the "Marilee Convention" held in Marilee, Texas, where they mingled with people named Marilee, drank Marilee bottled water and Marilee Conroy's picture managed to make it onto the front page of the local newspaper!

Meanwhile, in Cape Coral....Brad and Karen Smith, Duane and Deborah Crisp, Bob and Marilee Conroy and Bunny and Joe McGee took in the Miracle Baseball Game at the Century Link Stadium.

On May 5 a large crowd celebrated Cinco De Mayo with a delicious pot luck dinner at the home of Mary Juza and Terrell Ott. Thank you, Mary and Terrell, for a fun-filled evening.

The Razzle Dazzle Luncheon and Fashion Show held at Big Blue was the place to be for some of our Gecko Ladies. We had a great lunch, followed by the "Razzle" fashion show, and some shopping!!! Some of the ladies also attended the NRC Ladies' Luncheon held at Rumrunners.

Brad and Karen Smith and Bunny and Joe McGee joined a large fun-loving group of new residents at the Laugh In Comedy Club in Fort Myers. Three comedians presented a laugh-filled show, and the "Comedy Club" is definitely worth a repeat trip!

We wrapped up the month's activities with Cocktails on the Cape held at Hurricane Wings and Grill and a Gecko gathering at the Tiki Bar.

Happy to report that the newly-renovated home of Bill and Colleen Carty is ready to be occupied, including the new pool, and the Cartys will host our June pot luck with a pool party. Looking forward to it!

The brand new April/May, Lost in Paradise Group, have been busy. We had our first potluck at Sue and Greg's (Campbell/Hottinger) house where we found out we are pretty good cooks! Then at least 4 other people are planning to open their homes for upcoming potlucks. Earlier Cheryle (Wilson Dobson) agreed to be the leader, Susan (Campbell) and Chase (Binder) are group recorders. Some laughed our way through the Comedy Club and, although I couldn't be there, I wouldn't put it past some of our group to have shown up at the Cocktails on the Cape! May has May Day, Cinco de Mayo, Mothers day and Memorial day. Busy month, CCR members spending time with family but there is also the CCR May planning/pot luck which was on May 9th to spend some time with friends. We had 29 members attend. Even celebrated a couple birthdays and that's what makes our group of friends almost like added family.

Discussion of the ride schedule for the upcoming summer months

tends to wind down just a bit as a good number of the CCR membership went back up north and also the days can get very hot. But there was discussion about doing things indoors with AC. A night at Drag Queen Bingo is in the planning stages (cross dressing not required)

Sun May 6th 19 of CC Ryders members rode out to Babcock ranch and Octagon wildlife sanctuary. What a great preserve, come see it with us. I'm sure we'll be going back. **Check out our picture.**

Sat nite May 12th saw some of the CCR members go downtown Fort Myers for the monthly Bike Night that is held alternating months between there and Cape Coral. It's always a good time for food drinks and friendship.

CCR many times has a small, and sometimes even a large group table at one of the monthly NRC dances. Saying hi to us is not a commitment to join us by any means but some of our members just are very friendly, so just swing by and say Hi! We'd love your input on a ride to take or a place to see.

CCR men every Monday at 9 am meet for breakfast at Mel's Diner on Pine Island rd. Sometimes only 2-3 but other times 8-9 guys hook up. Stop in and see if you see a group of guys talking about Bingo, you've found them (men only)

CCR women **May 22** enjoyed lunch, beverages and a full day of conversation and laughter as they held their monthly get together at Cork Soakers in the Cape. The women of CC Ryders are always looking to schedule another different and entertaining lunch. Why not join them? (women only)

Did You Know?

How Big?

If you drive in the Cape, you know it's pretty spread out. How do you think it compares to other large cities in Florida by area? You might be surprised. Here are the stats as of 2016:

Rank	City	Area (Sq Mi)	Population
1	Jacksonville	747	881,000
2	Bunnell	137	2,800
3	Port St. Lucie	114	185,000
4	Tampa	113	377,000
5	Cape Coral	110	180,000
6	Orlando	102	277,000
7	Tallahassee	100	191,000
8	North Port	99	64,000
9	Lehigh Acres	93	116,000
10	Palm Coast	90	85,000

Cape Coral is bigger than Orlando and Tallahassee by land area. If you want to play your Rap music really loud without annoying your neighbors, it looks like Bunnell is the place for you. Only 20 people per square mile!

Did you know that Florida has a mountain?

Sugarloaf Mountain is the highest point in the Florida peninsula at 312 feet. Although there is a higher point in the panhandle along the Alabama border, Sugarloaf Mountain is the most prominent "peak" in the state, and is more prominent than the most prominent peaks in both Louisiana and Delaware. Despite this, Florida still has the lowest high point of any state in the US. Sugarloaf Mountain provides expansive panoramic views of central Florida. If you want to scale the summit, be sure to take along your ropes, pitons, and oxygen cylinders. You can hire local Sherpa guides, porters and yaks in the nearby town of Clermont.

NRC Members Show How It's Done

Welcoming Newcomers for 50 Years

Welcome to Cape Coral, your own Slice of Paradise!

In 1967 the New Resident Club of Cape Coral was established by Helen Peck as a way to give new-comers the opportunity to exchange ideas and form friendships. The tradition continues today in this, our 51st year.

Membership is open to anyone who has resided in Cape Coral for three years or less. If you've been here longer than that, you can still join the NRC, since each year there is an opportunity for "open enrollment" for all residents, regard-less of length of residency.

The two-year membership fee is \$45 per person.

Everyone joining will be members of a group made up of those starting that month. Commonly, the groups number two to three dozen. Each group holds its own activities and participates in events held by the NRC as a whole.

After two years of NRC membership, you will "matriculate" with your group to become a graduate member. You are still in the NRC and, as graduates, strongly encouraged to continue to attend all NRC meetings, activities, and events, as well as continuing your group activities with other Club members.

The NRC holds a general meeting at 9:15am on the first Tuesday of each month at the Yacht Club

Please join us at the general meeting for coffee and a light snack, and get acquainted with the most dynamic social group in the Cape.

We welcome you!
