NRC supports programs such as the Cape Caring Center and Onesight

Just a reminder that the New Resident Club has a continuous giving program, which collects canned goods and non-perishables for the **Cape Coral Caring Center** for distribution to those in need. Please drop your donations in the box at the Yacht Club. Also, please bring used eyeglasses to the NRC monthly meeting - a Gift of Sight box is provided on the activities table for your donation. All donations will be taken to the respective centers for distribution.

Join the fun as a comical mystery is unraveled before your very eyes, "Don't Cry for Me". It is up to you to decide who the killer is and why they would do such a dastardly deed. A prize will be awarded to one super sleuth in each dining car. There will also be a costume contest.

OCTOBER 2015

November 2013 Tropical Transplants Reporter- Sharrie Killion

Life is good in our Paradise. The gentle rains, the peaceful sunrises, the jumping fish; everything to make our wind and warm weather still exciting. Several of us explored the Cape Coral Art Center during an exhibition called the Aquarium Reception – a public showing of sea life art by our talented Cape Coral artists. Some of the pieces were for sale, some were not. No purchase necessary for a wonderful time. Follow that with an impromptu dinner at Ocean Breeze and the day was complete. Tell that to some of the guys. For one guy, wrangling a 100 pound saw fish to the pier was the high point of the day. Awestruck bystanders captured the monster on camera. No fish tale here. It's documented. He tells me it's not a private fishing place, but I understand if you ask him where it is, a Coors Light will help him remember. By the way, the fish was released and is probably ready to fight again. And it's football season. Pools are formed, one of us almost won – one point away. We'll get 'em next week. And it's the political season. Notice all the flyers in your mail? Don't worry; there will be more coming in the next few weeks. And it's almost The Season. Our friends from afar will soon return. That means more of us golfing, bowling, playing mah jongg, shopping, fishing, kayaking, volunteering, starting or finishing home projects and art projects, celebrating, wine tasting and much more. It's good to live in Paradise.

December 2013: Suns of Beaches Reporter: Linda Halliburton

Jesse Spearo's presentation on emergency management in Cape Coral was informative. I especially liked the visual "Go Bag" demo. I'm grateful the hurricane thus far have fizzled before hitting land. It is nearly fall but it doesn't feel like it other than football is on TV. This brings to mind our snow birds should return soon. I am

so glad we have an attorney in our group! We need to have something in writing about Visitation Rights. When their Northern guests arrive it is 2 to 3 weeks before we see our friends due to back to back company. This has to stop! Just need to know what our rights are. Our buddy, Dean is still under the weather. He doesn't feel like fishing. He still has one test due the end of the month so hopefully he will get some needed results. Dorothy & Bill hosted another Pot Luck. Food and visit could not have been better. They are off on a scuba trip with friends soon. It is official! Ray, Nancy & Linda are members of the CMAT club and enjoying every minute. Oh, CMAT stands for Can't Miss a Thing! Shirley & Wally will head to Utah next month for the birth of their first grandchild. Something tells me we will see lots of photos. Silly old grandparents. Until next month keep on having fun and don't forget to call us.

MARCH/APRIL 2014 PARADISE FOUND Reporter: Page Flournoy

It's been very quiet for our delightful group as we enjoy the "end of summer." Many of our group are snow-birding, and briefly that included Bruce and I. We head up to Connecticut and Vermont to see family and close friends and attend a wedding. Fred and Nita just returned from Connecticut. Their grandson just turned two and they visited family and increased their business. Michelle just returned from a nice long visit to Chicago. I've seen photos from Sherry and Tom's vacation. They will come home to rest!! What a fabulous travel summer they've been having! Ione and Chuck made it to the September meeting. They've been away a lot enjoying their granddaughter. We haven't heard from others. We're hoping to start up our potlucks again this fall, and catch up. In the meantime, I read this and thought I'd share. You know you're a Floridian if:

- Socks are only for bowling.
- You never use an umbrella because the rain will be over in 5 minutes.
- A good parking space has nothing to do with distance to the store but everything to do with shade.
- Your winter coat is made of denim.
- You consider any day when the temperature drops below 70 degrees as chilly weather.
- You think that anything under a category 3 storm isn't worth waking up for.
- You are on a first name basis with the Hurricane list.

They aren't Hurricane Andrew or Hurricane Charley, but simply Andrew and Charley. *You think a six-foot alligator is actually average. "Down South" means Key West. Flip Flops are everyday wear. Shoes are for business meetings and church, but you have actually worn flip flops to church. You have a drawer full of bathing suits and one sweatshirt. You know the four seasons are really Hurricane season, Love bug season, Tourist season, and Rainy season. You've worn shorts and used air-conditioning on Christmas and New Year's Eve. Till the next newsletter, stay warm, safe and happy!

THE WAVE RUNNERS
Reporter: Linda Glass

Hope everyone had a wonderful summer. Now we are approaching our good weather and we hope to see more of everyone. It has been quiet for us while the heat was scorching. Indoor activities have been the Waverunners choice. A group of us went to see SOME ENCHANTED EVENING at the Broadway palm-very entertaining. We also had a fried chicken pot luck at the Glass house. It was great to see the Waverunners. Tracey won a pizza party for us at the deck. Attendance was good and we had a lot of fun. Kathy and Gale were in Mexico for a month and they sent beautiful pictures. We wish John Munster good luck with his upcoming surgery in October. We are so fortunate to know all of the wonderful folks at the NRC. Cape Coral is the best!

PARADISE PELICANS
Reporter Virena McElheney

Watch out Paradise Pelicans, the Snowbirds will be coming back to paradise soon and we'll have to share our space in paradise with them. Since the Pelicans have been here all summer long, we know we're a hearty flock. Over Labor Day weekend the Pelicans boarded onto boats and headed out to the Sanibel Causeways to have a little fun in the sun and water. Top right-It was a hot day, but everyone managed to keep cool by getting in the water. What a fun day for all the participants. Next up was our wonderful

monthly Ladies Luncheon at City Water Grill. So much fun and laughter, especially when a few new "ladies" showed up. Great food and lots of gifts in our raffle and garage swap. Next up on our agenda was our monthly potluck. As always, it is well attended and everyone has all the food, fun, laughter, friendship and libations they wanted. This month my husband, Ray, and I were the proud hosts. Below, some of our Lady Pelicans hanging out on the couch after enjoying a wonderful meal. At the end of the month is our dinner dance at Cape Coral Yacht Club. This month the theme is "Man Cave", so the men can come dressed like they do when in their caves. Ladies wear whatever you want. We also have our monthly Bunco party to look forward to, which is always a blast, even if you don't win a game. Most of us a looking forward to autumn with the cooler weather and less wet stuff in the air. Until next time, see you all around the Cape.

CAPE ESCAPES
Reporter: Diane Kenney

School bells are ringing! Even though a lot of us are retirees and no one has little kids, it seems like it is Back to School Time in September. Groups are getting together and getting organized for a new year. The Cape Escapes have completed their first year here in the Cape with the New Residents Club. Doesn't seem that long! Time flies when you are having fun! During school years we all would live for the weekend, but here it is weekend everyday! Instead of having our Ladies Lunch group, some of us went to the Peace Day in the

Park on Sunday, September 13th. Lynn Kaden organized our group. They enjoyed the artisans, vendors, music and the fashion show. They also checked out the yoga classes and the pet adoptions. A group of us went that night to see Matt Price and Frank del Pizzo, the magician and comedians at the NRC Comedy Club event at Anthonys on the Boulevard. Those laughing in the audience were Lynn Kaden & Jim Fitzgerald, Maria Vodola, Herb & Diane Kenney and Linda & Dave Fairley with their golfing friends Donna & Earl Boothe. Dave, John Puhek, Herb and I golf with Donna and Earle on Wednesdays at the Del Tura Golf Course. Our next group activity was attending "Some Enchanted Evening" on September 20th at the Broadway Palm Dinner Theater. We were in for a treat listening to the music of Rogers and Hammerstein. Those enjoying the musical evening were Sara & Lou Appelman, Marianne Cyr, Dave & Linda Fairley, Herb & Diane Kenney and Brenda Serbonich. It took us back in time. Karen and Jim Rozum were our hosts for the September Pot Luck. Karen served chicken salad sandwiches, and we all brought goodies to share. We enjoyed coming to their home for the second time. We celebrated Christmas there last year. Now we got to see her home without all the Christmas decorations. Still wonderful! We are still trying to participate in all the other NRC activities - golf, bowling, bocce ball, trivia night, cocktails on the cape, Ladies Luncheon and more. Look around you may find one of us! Even though we are enjoying our life in the Cape, we are still traveling. The Kennneys went to Vail, the Fairleys to a high school reunion in Pittsburgh, the Appelmans went to New Jersey and the Warners are back from their daughters wedding. Lyn Puhek is back in California teaching. She will still come visit us, especially since John is still here working. John did go spend a week with her to help her celebrate her birthday. We hope Mary Chapman is feeling better. She spent her birthday in August in the hospital. She did make it to our September NRC meeting. Hope she continues to improve. Jim Fitzgerald has been helping Kirk LaGrasta and Chris Cammarota campaign for City Council seats. They made it through the primaries and have advanced to the general election. Be sure to be a part of Cape Coral and Vote next November. Our September birthdays were John MacLean(9/10), Lyn Puhek (9/21), Dori Harrison (9/22) and Ed Keller (9/25). We only have one to recognize in October -Lynn Archey.Happy Birthday to All!

LAUGHING GULLS
 Reporter: Vickie Sullivan

Gosh September is over and it's time for the snowbirds to start coming back. It will be great to see them but not looking forward to the increased traffic. Hard to believe that the Gulls are celebrating our one year anniversary of joining the New Resident Club. It has been a great year. We have a great group and I am so happy to be a member of the Gulls. Loretta, LuAnne, Janis, Lori, Jill and Barb attended the Ladies Luncheon at Buon Appetito. Lori, Bob, LuAnne, Mike, John, Janis, Vickie & Sully attended Cocktails on the Cape at Coconuts. A big thank you to everyone for the cards, get well wishes, and calls that I received after my shoulder surgery. LuAnne & Mike the cake was delicious--thanks so much. We had 15 Gulls attend the Sept general membership meeting. Our Sept potluck brunch was hosted by honorary Gulls, Page & Bruce Flournoy. We appreciate them inviting us all to their lovely home. We have been busy little Gulls. We got together and enjoyed dinner at the Moose Club (we missed you Sandy & Peter). Some Gulls enjoyed an all you can eat fish dinner at Coconuts; a Labor Day cookout at the Moose Club; comedy night and a great prime rib dinner at Anthony's. We celebrated our Sept birthdays at Iguana Mia. Happy birthday to Jill (20th), Janis (18th), Margriet (13th), Terry (23rd), Mike R (18th), Sully (1st) and Rick (8th). Look forward to seeing everyone at the Ladies Luncheon at Water City Grill, the Man Cave Dinner/Dance and Cocktails on the Cape at Micelli's. GULLS JUST WANT TO HAVE FUN!!!

CORKSCREWERS
 Reporter: Leslie Vaughan

Our Snowbirds are coming...Our Snowbirds are coming!!! Won't be long now until our friends return! We've missed them and will be glad to have them back! We've also had several members who have been traveling, and they've returned, so that's great! And happy news - rainy season is over! The Corkscrewers have been busy, as usual.

OCTOBER 2015

NRC Group News

We're enjoying getting together for our monthly dinners to celebrate all in our group who have a birthday or anniversary during the month. This month we went to Buon Appetito for a lovely get together. Some of our ladies are meeting at Fish Tale Grill for lunch next week, which will also be very nice. Our ladies also gather almost every week at Aimee's house and paint pictures. Some are really good...all are fun! There's always lively conversation and fun times when we leave our husbands at home for the day! As usual, Cocktails on the Cape at Miceli's was a nice evening for everyone. Pot luck at Jerry and Lola's will have a Southern theme. Now THAT'S what I'm talkin' about!!! Southern cooks know their way around the kitchen, for sure, and we plan to borrow lots of yummy recipes for this event. Several couples are planning a Western Caribbean cruise for October and really looking forward to that! We love hanging out together and what better place than a cruise ship? Hooray!!! Also coming, Sunset Celebration at the Yacht Club beach! Lots of food, vendors for shopping and great music. All with a wonderful view of the water. Speaking of water - What did the Gulf of Mexico say to Cape Coral? ***** Nothing. It just waved. :) Happy Fall, Y'all!!!!

FUNSEEKERS

Reporter: Debbie Tkach

Even though many from our group are Snowbirds, the ones who live here full time have kept busy, as usual. It is hard to believe that it has been six months since our group was originally formed. Time certainly does fly while having fun and meeting great people. Most everyone in our group has finally settled in and got their homes in order, or are almost done with that. Anne and Rex recently returned from a two month trip visiting friends and family in Georgia, North Carolina, Ontario and Prince Edward Island, Canada. They also toured Eastern Canada to New Brunswick and Nova Scotia. They had a wonderful trip even when Anne broke her ankle in PEI. Whale watching was out of the question but managed to enjoy lots of lobster and seafood on the east coast. They are glad to be home and participating again in the New Resident Club activities. Hope the ankle heals well. Theresa and Rod have been keeping busy. They went to the NRC dance last month, their very first one. They went to Minnesota for a wedding over Labor Day weekend. While there, they packed up Theresa's mom's items in a truck for her move to Cape Coral. She and Theresa flew back to Cape Coral on Labor Day while Rod made the trek in the truck with only a little over three hours of sleep along the way. Theresa said that since he won't be doing that again...she's stuck here! It's been fun helping her unpack & get settled. Matt and Vaune traveled to Philadelphia to attend the wedding of their niece. It was a beautiful ceremony. After a short trip to Maryland to visit Vaune's sister, they will travel to Buffalo to visit more family. Julie and Jeff remain active. They celebrated all of their family's birthdays and had lots of fun and way too much cake! Their younger son Jordan came down for a short visit over Labor Day weekend- lots of fishing and not one fish caught! Julie has finished painting the inside of the house and is now moving onto the trim. Debbie, Jeff and Julie attended the Wine and Canvas at the Yacht Club and created beautiful masterpieces. While they may not be Rembrandts, they did turn out quite nice. Seven of the Ladies got dressed up and did have some place to go when they attended the Ladies Luncheon at Buon Appetito. Several from our group won door prizes. As usual, it was a lot of fun. Debbie and Bob remain busy. Bob attended his first Men's Breakfast at the House of Omelets and had the opportunity to meet some new members of NRC. Bob has gone fishing a few times and has enjoyed it. They have also been doing some activities with friends of theirs from the Gulls.

FABULOUS FLIP FLOPS

Reporter: Diana Simpson

Summer is almost over! You all know what that means. Yep, you Snowbirds will be heading back south soon. We anxiously await your arrivals. Meanwhile, we Pelicans have been keeping busy. Joel and Linda Sabat hosted the pot luck this month for about a dozen of us. The night ended with fireworks off the lanai. We decided it was arranged just for us. Betty Day and I went with a few other newcomers for a tour of the Naples historic district and museum. It was fabulous! I took paddle boarding lessons at the Yacht Club beach. What fun! I believe that this will be offered monthly through the Yacht Club, so get yourselves signed up. The Ladies Luncheon theme this month was "Heavenly Haberdashery." The luncheon was "crashed" by three men in drag which brought uproarious laughter and lots of photo taking. Tony and Cindie Matusicky came down for a spell. I was able to enjoy dinner with them at Woody's and catch them up on the goings on. They are having a great summer up in Ohio with the grand kids, but are looking forward to coming back at the end of the year.

New Resident Club of Cape Coral

Debbie is especially happy that she gets to see her Dad so often, as he lives in Fort Myers. They are loving life in Florida and are glad they made the move from Buffalo. 13 of us attended Cocktails on the Cape at Coconuts and had a great time. Some of us even showed off our dancing skills later in the evening. 19 of us attended the Potluck hosted by Kay Atwood and Randy Wing at Sandy Hook in Matlacha where some were brave enough to partake in the Oh Boy. The Onion Rings ordered by Jeff served the entire table. Thanks Jeff! Enjoy the rest of summer, more news in the Fall.

SUN RAYS

Reporter-- Barb Swann

The Sun Rays have participated in several NRC events this summer: Ladies Luncheons, game nights, potlucks at Linda's and Ceil's, Yacht Club Dances, Trivia, and Bocce, to name a few. Folks are beginning to form friendships within the group and across group lines and are starting to enjoy what the Cape has to offer. Sharon, Ed, Lilian, Marlene, and Gary (could be others as well) are enjoying Bocce. Hey, tell us how it's going! At least nine Sun Rays attended DooWop Dance September 3. Hope to hear all about it in the next newsletter. Several Sun Rays have taken opportunities during this hot season to return to their northern roots, travel, and visit family. Marlene took a three week hiatus from the hot Cape Coral sun and visited family and friends in VA, Maryland, and Pennsylvania. She said it was refreshing to sit outside in the low 70 degree weather in the mornings sipping coffee and rehashing old times (life before Cape Coral). In between visits with her old friends (friends before NRC days), Marlene and her sister went on a 8 day tour in the National Parks. They started in Rapid City, South Dakota stopping at the famous Mt. Rushmore and Crazy Horse monuments. Then off they went to Cody, Wyoming to take in a rodeo. She was amazed to see the little six and eight year old kids trying to ride the baby steers and the big boys trying to ride the big bulls—that was a feat. After Cody it was off to Yellowstone National Park. The weather was a cool 40 degrees at night. They arrived just as Old Faithful was ready to blow. Old Faithful was impressive but not a show stopper. They saw bubbling hot mud, more geysers, steaming waters, bisons by the hundreds, bear, elk, and deer. That excitement then lead to a visit to the Grand Tetons.

They hiked a breathtaking (literally and figuratively) mountain to see a beautiful waterfall. To reach the mountain, they took a boat ride on Lake Jenny. It was a serene and beautiful lake. Their last stop was in Salt Lake City where they took a quick tour through the Mormon temple and a good by dinner. An early morning flight took them back to Washington, DC. where she visited more friends and family.

Marlene arrived in Cape Coral just in time to hear the news of Erika.

She is thankful that Erika did not turn into a hurricane. Thanks to Cape Coral City and NRC for hosting hurricane preparedness seminars. She is partially equipped for the next hurricane. And from Erica: I was home the end of July - early August to enjoy my son's wedding, Tony, to his high school sweetheart, Mara. Beautiful wedding which the weather cooperated since it was outside and they had no plan for bad weather! My husband has moved down from Pennsylvania finally! It has been a long 6 months without him. Ceil and Rich headed to Kissimmee for car shows and are looking forward to their upcoming cruise to Key West. Barb has taken to the Gulf, attending Bark on the Ark trip to picnic island, recommends it to all dog owners. She also went Gulf fishing and would love to go back to catch the big one. On the medical front, Ceil has recovered from a minor surgery and is back in the game. Elaine has "new eyes" and should be back to her painting soon. Folks are getting settled into Cape Coral life, moving into their homes and redecorating. Louise is still unpacking. Several of the Sun Rays have enjoyed company by the pool during this hot spell, just waiting for things to cool off. Some things to share... several Sun Rays have frequented the Cape Harbour Farmers Market and the Farmers Market at Surfside, worth the trip, as well as the Flea Market in NE Ft. Myers. Watch the Newsletter and your emails for more upcoming events. Now that things are beginning to cool a little, a walking tour of Naples is being planned, as well as a group decorating event for the Ladies Luncheon. Start thinking costumes, costumes, costumes. October should be fun. Remember that this is your newsletter, please submit your comments and let us know what is going on.

HULA HOOTERS

Reporter: Alan Poland

Well, hello all the new kids on the Cape are officially the HULA HOOTERS. That was the name that stood out in the list of two dozen very creative names that our group members voted for during our tasty pot-luck dinner hosted by Bob and Marie Petonero on Sept. 9. Our flock currently has 48 members. The group's mascot is Miss Hoo who was creativity brought to life (see photo) by Bob and Marie. They also donated colorful leis to serve as our group's identifier. Miss Hoo name tags are being researched. As a first point of community action, since we give a hoot, the Hula Hooters decided to support a Christmas charity to be determined. Carol Lewiston volunteered to coordinate charitable raffles. Also, it was agreed that between pot-luck socials, the Hooters will stay in touch by attending happy hours at different locations ... the first being 4 to 7 on Tuesday, September 22, at The Boat House next to the Yacht Club. President (Chief Hooter) Gary Eldred and his bride, Marne, offered to host the Hooters' next pot-luck social October 27 at their nest. We are reminded to wear our lei to all Hooter events. Those who fail to do so will be asked to donate a dollar to our charity fund. Happy Hoot to all!

NRC MESSAGE FROM THE PRESIDENT

October 2015
Bruce Flournoy
President, Board 96

Greetings New Residents

The time has come to bid you a Presidential farewell. The current NRC Board runs until through October and then Board 97 starts their term in November. The term has come and gone with incredible speed, and wow, has it been FUN!!

I have been blessed with an energetic and hardworking board. Each and every one has stepped up and done more than I could have expected and the president's job has turned out to be less managing people than getting out of their way and letting them run with the positions. Each one has brought talents and energy and I'd like to take this time to thank each one:

- 1st VP **Vicki Sullivan** for her wonderfully dry humor and incredibly efficient processing of the newbies
- 2nd VP **Shirley Hartlauer** for her smile, laugh, and music & decoration selection at the dances – always imaginative & under budget!
- Secretary **Leslie Schmitt** for her great humor keeping me focused and on track
- Treasurer **Loretta Shiveley** for showing me it's possible to learn something new at our age and keeping a tight rein on the checkbook
- Newsletter **Tricia Fee Mainhardt** for keeping us on schedule and her increasingly imaginative Newsletters
- AM Refreshments **Ann Marie Reid** for her wonderful disposition and handling slicing & dicing with a minimum of bloodshed
- PM Refreshments **Ray Harrison** for his flow of suggestions and (successful) efforts to return an empty keg
- Hospitality **Tina Blair** for her smile, can do attitude, and generous spirit
- Ladies Lunch **Babz Maxwell**, the queen of sparkle, for her phenomenal imagination, energy, and glitter!
- Jim Glass** for his great attitude and success in getting the NRC into the Breeze
- Photographer **Leonard Brown** for his great humor and willingness to wear a tiara to get the picture
- Raffle **Barbara Walter** for unending enthusiasm and great raffle prize success
- Activities **Tina Millet** for a string of great activities and the dedication to make it happen
- Reservations **Linda Halliburton** for her thick skin and good humor
- Past President **Kathy O'Boyle** for her warm smile, positive support, and voice of reason
- Board Advisor **Page Flournoy** for everything, but most importantly her wonderful laugh and the joy she's brought into my life

The Dinner Dance this month is Haunted Cape Coral - Costumes encouraged!! It features the band Stolen Fruit and will be a blast! Check out the calendar in the newsletter for all the activities.
