## NRC NOTES AND ANNOUNCEMENTS

### NEW MEMBERS ARE ALWAYS WELCOME

Welcome to Paradise. In 1967 the New Resident Club was established by Helen Peck as a way to give newcomers the opportunity to exchange ideas and friendship. The tradition continues today. Membership is open to anyone who has resided in Cape Coral for three years or less. The two year membership fee is \$45 per person.

September is open membership to all residents, regardless of length of residency. Our general meeting is held at 9:15am on the first Tuesday of each month at the Yacht Club. Please join us for coffee and a light snack at the general meeting, or contact :

Please drop your donations in the box at the Yacht Club. Also, please bring used eyeglasses to the NRC monthly meeting - a Gift of Sight box is provided on the activities table for your donation. All donations will be taken to the respective centers for distribution.

# NRC Group News

SEPT 2014  
CAPE ESCAPES  
Reporter: Diane Kenney

It's Graduation Time - The Cape Escapes have had a fun filled two years here in Cape Coral - getting to know new friends in the NRC, making life long friendships in our Cape Escapes group, learning about our new home here in the Cape and all it has to offer. We have joined in the NRC's activities and also found more places to see and activities in which to participate in the surrounding areas. Southwest Florida is an area full of history and fun! Go beyond the borders of the Cape and southwest Florida and see and experience the entire state. Be sure to see and do it all! We all have been (in between our travels throughout the US and the rest of the world). This is what retirement is about! We may be graduating but we will still be getting together. The Cape Escapes are continuing their friendships and our monthly dinners. Our monthly dinners are already planned for the rest of 2016. We still will be a part of everything that Cape Coral and southwest Florida embodies. The Paradise Pelicans in August stole all our thunder. We are silently departing. No skit, no noise. Look for us out in the sun and fun! See you there!

LAUGHING GULLS  
Reporter: Vickie Sullivan

I don't know about everyone else, but I am ready for it to cool off some. I've had enough of this hot, humid weather. The Gulls enjoyed the Ladies Luncheon at RumRunners. Pam, Linda, Nancy & Vickie cheered when LuAnne won 2 raffle prizes. The Lady Gulls & friends enjoyed a great Tops Down. Barb, Linda, Nancy, Pam, Leslie, Debbie, LuAnne, Lori, Terri & Vickie participated. Thanks to Barb for planning our lunch at Bistro 41 and a great afternoon of shopping. Loretta, Barb, Linda, Nancy, Sully & Vickie attended the August General Membership Meeting. I really had fun with Babz and the other Tiara Dancers performing

the Women of WalMart shuffle. Babz where do you come up with this stuff? A big thank you to Bob & Debbie for hosting our August potluck. Great food, great friends and a great time had by all. The Women of WalMart luncheon at the Monkey Bar was a great success with Loretta, Liz, LuAnne, Linda & Vickie in attendance. Lucky Linda won a raffle prize. There were some very inventive costumes. Hopefully no one had to make an unscheduled stop on the way home.

Our Gulls that have been travelling over the summer are starting to return to the nest. Bob & Tina had a two month adventure travelling in their RV. John has returned from New Jersey and Janis will be home soon.

Nettie & John have been up north for it seems like forever but will be home this month. Sully & Vickie will attend their niece's wedding the first week of September in Massachusetts. Happy Birthday to our August & September folks--John C (8/6), Pam (8/20), Sully (9/1), Rick (9/8), Mike R (9/18), Janis (9/18), & Jill (9/20). Until next time: GULLS JUST WANT TO HAVE FUN!!

BEACH BRATZ  
Reporter: Babz Maxwell

Welcome to August in Florida. Or Satan's armpit. Either is accurate. Our official motto should be: BE COOL, STAY IN THE POOL! Just the other night, a group of us decided to go to the Tiki Bar for something fried, and a good band. What was I THINKING?? Its open air, a hundred and eleventy-eleven degrees outside, and a thousand percent humidity. I sweat so much, my seat looked like I peed myself. But that would have been impossible, because I was too dehydrated. Then someone actually said the words "It is HOT out here". This brought up a rousing discussion of heat here vs. "up north". The moment we become Floridians, we are required, by law, to downplay any negative aspects of our state, or we will be forced to return to our native State and do 4 months of snow/ice removal as penance. When we are asked what summer is like here, we say, "It's no hotter than summer up in New Mid-West-a Sota!" We LIE! It is such an outrageous lie that when I hear someone start to say it, I automatically back away from them for fear

# NRC Group News

the lightning strike from God will not only kill them, but will singe me by association. We now find it hilarious what “northerners” consider HOT. My mom has been updating me almost daily about the “sufferings” of the Midwesterners, expounding on “feels like” index and humidity levels, and dire warnings for the elderly and infirm to stay indoors. Let them wallow in their ignorance. They have no clue. . If heat indexes were posted here, we wouldn’t emerge outdoors until sometime in NOVEMBER! I get dehydrated just going to the MAILBOX, which is actually perplexing, considering the humidity levels. It’s my understanding that by our 4<sup>th</sup> summer here, we will start developing gills...Speaking of summer, the Emergency Management Department (i.e. eye candy Jesse) spoke last month of hurricane preparedness and the necessity of “GO kits”. My idea of a Go kit would be a fat wad of cash, and 100 spare gallons of gas, because I am so OUTTA HERE if there is even the HINT of a hurricane. I can live on Cheetos and warm soda, I can manage without TV, but I CANNOT survive summer without A/C. I am sure there will be SOMEONE up north that I suddenly MUST visit! Stay FAB U LOUS!

January 2015  
CORKSCREWERS  
Reporter: Leslie Vaughan

First things first. Allow me to thank Mitch Wallick, who helped me with the newsletter this month. Jeff and I moved into a different house, and I found myself short on time. Summer heat is supposed to create doldrums. No one really is supposed to feel like doing anything. Not so with the Corkscrewers. Although we miss our snow birds, us year rounders refused to let the heat stop us. Usual monthly activities continued uninterrupted. The birthday and anniversary dinner was held at the new Cape Cabaret (in the former Italian club building). Not yet fully renovated, we were treated to banquet style tables, complete with numbers giving the feeling of attendance at a wedding celebration. The varied food offerings were excellent and well received by those who attended. To add to the festivities, sitting in the banquet hall (where we were the only guests) we could here the Karaoke music from the room next door. The monthly pot luck dinner was hosted by John and Linda Kamysz.. They graciously shared their home with all of us once again! We are planning to invite the food critics to our next get together because the offerings from all the participants certainly would compete with any top restaurant. Also, I understand that the Home and Garden folks are thinking about a photo shoot for Linda's lovely decor! :-)

The bi-monthly coffee get together for the

ladies was also well attended as usual. Not to be outdone, the guys got together to drive a bucket of balls. For those of us who are less heat tolerant bowling at Head Pinz was offered. We have decided to incorporate that into our regular activity schedule. (It's a shame we cannot trade our bowling and golf scores!) Reflecting back on not only the last month, but the last 18 months, we really are amazed at the many things that the group has done. Both as a whole group, and smaller sub groups, activities have included shooting, cruises, day and overnight trips... and best of all great friendships. As we approach our graduation, we are looking forward to even bigger and better expanded activities.

FEBRUARY 2015  
FABULOUS FLIP FLOPS  
Reporter: Diana Simpson

The Flip Flops have been cruising through summer! All the usual activities. Patti Zysk is the first one back from up north. Is Virginia really north? Anyway we were thrilled to see her at our August pot luck! The pot luck was held at Allan Stern's home. We had lots of fun exploring his home which is a treasure trove of reminders from his extensive travels. And yes, he is building a real airplane in his garage! The Ladies' Luncheon was a riot this month with the Women of Walmart theme! Would you believe we had no July birthdays? Well, we had some in August! Denise Collins, Rick Collins, Jerry Colyer, Joann Devine, Jerry Nardelli and Bill Preston all turned 39, (for the....how many "ith" time?), in August! Only Allen Stern will be blowing out candles in September. Have a great month enjoying all that the NRC has to offer!

MARCH/APRIL 2015  
FUNSEEKERS  
Reporter: Julie Green

We funseekers sure know how to party! We all channeled Julius Caesar and had an awesome toga party potluck at Jeff and Julie’s house. Cocktails on the Cape at Moretti’s saw Rex, Terry, Dana, Jeff and Julie enjoying dinner – poor Anne had jury duty and missed it! Katherine Munster says she and John and Lily are enjoying being sunbirds in Ajijic, Mexico. Perfect weather and social life has them loving it down there but they’ll be back soon!! Bob and Cyndi had fun in Tn. with adorable grandchildren! Kay and Randy had a blast travelling through Europe via Epcot! Soarin’ was their favorite part! Starr

SUN RAYS

Reporter- Barb Swann

First of all, a shout-out to Elaine, Bev, and Joe. Elaine has been ill and out of commission now for several months. We miss you. Hang in there. May actually be headed home as this goes to print. Prayers also going out to Bev's family, and Jan with her setback.

Summer brought a new adventure for the Sun Rays, BUNCO. Our first game night was a great success, thanks to Ann and Dave for providing the venue. We hope to continue on a monthly schedule. Any others interested, let Bev know. Bev, Marlene, and Linda have done a great job getting this off the ground.

Ceil and Rich, our adventurers, have been busy as usual. They are introducing the group to Rosy Tomorrows Heritage Farm for a good meal. They also are checking out the Bradenton area. See them for details.

Linda has had northern company and I hear they closed down the joints on Ft. Myers Beach.

As for me, I haven't done much but eat, bowl, dance, eat...you get the drift. I did take a wonderful scooter ride out to Pine Island and Bookelia. Great sun and scenery. But, Marlene, watch out and be careful. When I passed Sandoval, I spotted a coyote, pretty mangy looking one, just off Veterans. He looked hungry.

JULY/AUGUST

HULA HOOTERS

Reporter: Alan Poland

The Hooters are nesting, first Sandy and Don, then Sonia and Alan and then Jen and Norm by now have all moved into their new CC nests. And Marie been feathering herself for a move into a larger nest. It has been a year since the Hula Hooters formed and Hooters learned they like to party. So, in honor of their first year anniversary as a fun

group, they held a celebration bash at Sonia and Alan's new home in August. In addition to gathering at local watering holes, enjoying pot luck dinners and lunches, members of the flock are getting smarter at playing Trivia. They also enjoy going together to local shows. Now a Book Club is being formed.

Other Hooter enjoyments are days at the beach or splashing around in pools, even a cruise together has been mentioned. Lady Hooters are enjoying monthly luncheons and Bunko games. It is a busy social schedule for the very social Hooters. That is why the Hooters' closed group on Facebook is so popular...keeping all of us on schedule and sharing photos of Hooter gatherings.. The group's motto (thanks to Bobby) is "Life is Good" when you give a Hoot, Hoot, Hoot.

CORAL CAPERS

Reporter: Kim Garrity

This past month the BBB got together and had a beach day at Ft Myers Beach. Ten of us gathered to have lunch at Junkanoo's on the beach. Julie and Mark held their 'Baconfest' at their home. There were so many bacon associated foods and beverages, all were very GOOD.

Julie and Kim met up with a few others for line dancing at Dixie Roadhouse. A group gathering was held at Micheli's last week. What a great turnout, 22 of us met up and had a great time. Jeannie H. was gone for 2 months and is back home here in the Cape after celebrating a couple of weddings with her family back in Wisconsin.

NAUTI CRABS

Reporter: Chris Gust

This hot summer has not kept the Crabs from having Potlucks and good times. At our latest (and over the top) potluck hosted by Larry and Luz Vawter we collected donations of \$110.00 to share between the Cape Coral Caring Center and St. Vincent de Paul Society-St Andrew's Conference. Thank you Crabs for your generosity. Now don't think that is where the fun stops - several of the Nauti Crab ladies have attended the ladies luncheons and they were truly bedazzling and very Christmas festive. Lots of good food, laughter, and great

September 2016

prizes. Nine of us have kept upon our bowling. We aren't good by any means. Our moto: we are constantly consistent - shooting for a score of 100! Sometimes its a stretch but its fun.

Now for our Nauti's who thought they would escape the heat by heading up north. Ha jokes on you it seemed many of our sun birds had higher temperatures up north than we had here in the Cape. We are looking forward to your return. I've told you in the past of my discoveries of our Nauti members. More to learn each time we get together. We have a photographer in our group that took pictures for the Whitehouse. That's right he can tell stories about what truly goes on in that big house! He and his wife teamed up to take wedding photos that truly make the event memorable. Several Crabs have gone postal well not really but they were the terrific folks that trudged through the snow, sleet, and rain to deliver our mail. Walking seven miles a day was nothing for them in the cold of winter and heat of summer. There are the little things in life that we take for granted like how do the walls get painted. Thanks to one of our guys he kept us colorful with his eye for detail and no mess for us to clean up. One of our couples loves to ballroom dance. You'll see them at many of our dances floating across the floor with precision and grace. Those potlucks you hate to host and attend - well think again that's when you discover so much about your group and what makes us so different and yet alike. I can't wait for our next get together to learn more about or exciting group and our one year anniversary.

NOV/DEC 2015

PARTY PALMS

Reporter: Ted and Carolyn Clark

We enjoyed a fun filled potluck at Diane and Jay's house. Great food and great company and Jay has a collection of beer steins that would rival the collection at the Munich National Museum.

Ted and Carolyn had an auto accident while visiting friends and family up North and although they survived, their car was totaled after being T- boned by a young inexperienced driver ( isn't that redundant?)

Ted, Terry and Bobby went out on Terry's boat on a maiden fishing trip that turned into a three hour tour. The fishing was terrific but they didn't catch anything. Perhaps it was too hot, perhaps they used the wrong bait, perhaps they fished in the wrong place, etc., etc..... However a bad day at fishing is still better than a good day at work.

Donna and Bill have been boating and enjoying friends from the West.

Tricia is working hard at her business Salon Renew on 47<sup>th</sup> Terrace. Stop by and say hello

Where in the world are Bud and Rhonda? They undertook an

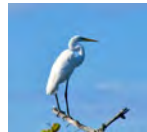

incredible trip with Alaska as their focal point. We can't wait to hear their stories when they return given the gorgeous pictures of our country they posted on Facebook.

Al posted great pics of kids starting school (our granddaughter is starting school also – grad school!) and is maxed out with his kids many activities. Erica has been working both on shift and at the Academy training new officers for all of Lee County. We all feel safer knowing Erica is on the job. Al has also been active with the Chamber of Commerce, Rotary Club and the Dr. Piper Center for Social Services and you all know him as our NRC Newsletter Board member. ....and they recently moved to a new home. Whew – how do they do it?

We found out Linda is secretly a crafty person. If you want to know anything about anything related to crafts, ask her.

Eve has her first grandchild- congratulations!

Many members are snow birds coming back soon. For example, Carol & Jack, from the 51<sup>st</sup> state, are on their way back and looking to sell their home. Patti is back from West "By God" Virginia and Kathy came back for a couple of weeks but left again. Karel (our NRC Activities Board member) has been traveling quite a bit and we're never certain when she's in town. Dale (our NRC Hospitality Board member) has been busy helping new NRC folks structure their groups. BTW her son has accepted a full time teaching position in the area. Oh I almost forgot - Terry accepted a full time teaching position also. I hope the job doesn't interfere with his extreme fishing adventures.

NO EGRETS

Reporter: Nancy Arey Cohen

There were more exciting times for No Egrets this month despite half the group being "up north".

- 4th of July party at Jayne and Ron's
- Dinner on the 12th of July at Pinchers
- Middle of the month at the beach for "extra" sunset celebration
- Fun time at Flippers Bay
- Pub call by boat to Bonita Bill's Waterfront Café
- Large group at Seven Oaks Wood Fired Cuisine
- Ladies' Luncheon at Misto Bar and Grill where Lori, Susan, and Ollie put their princess on. Ollie Liberace really dolled up for it!
- Trivia every Friday with strong showings
- Bocce on Wednesdays followed by dinner and drinks
- Away from Florida,
- Our Halloween Queen, Raylene, has finished her costumes.
- Cate, Linda, and Nancy got together for dinner in MN.
- Lori and Dave were on the road having fun adventures up

September 2016

the East Coast on their way to Canada.

- Ollie had a blast at her class reunion in Fort Lauderdale.
- Nancy's youngest got married in MN – across the bay from John and Cate's house!!!
- Ron might be working for the government. He continues to work on US/Canadian relations. It's hard to believe that in a little over a month the northern contingent will start trickling back into the fold!

MARGARITA MADNESS

Reporter: Linda Turner

May and June groups were combined, and are working on getting organized. May group

attended a Cinco de Mayo party at Tim Rodgers home and had a great time. Our group attended a Memorial Day party at Tim's home. May and June group met at a social at Dale Ford home. Thanks to Dale it was a great time, lots of fun. Next we met at Gayle and David's home for our 1st potluck and decided on a group name Margarita Madness, Gayle and David have a very lovely home once again lots of fun. Some of our group attended ladies luncheon at Misto's food was excellent. Group residents also attended Dominos Game Night and Men's Breakfast and Ladies Luncheon. Cathy and Bert Chaney will host July potluck. Linda Turner and Emily Main have purchased supplies and are constructing the craft for the table centerpiece.

The July's Ladies Luncheon was so much fun everyone laughed and laughed. Our group M/M won second place with a highly decorated toilet seat. Bert and Kathie hosted a pot luck at their home and made margaritas for everyone on their margarita frozen ice machine. The dessert table was fabulous with lots of chocolate desserts. Madeline K prepared a chocolate cake that was outstanding. The margarita glass centerpiece was unveiled for the first time. Bert and Kathie reported that they had drinks at Backsteets Sports Bar. Cindy Drongoole reported she ate Burritos at 3 Pepper Burrito Company with Robert Olson. They stated the food was good and had a friendly wait staff. Cindy also was enjoying her grandchildren this month. Linda Turner moved into her rental home. Emily Main and Dale Ford helped her clean. Micah Millet moved items into the house for Linda who was very appreciative. Emily and Steven Main hosted their great granddaughter for a week, took her to the Shell Factory and other Cape Coral sites.

BAD BUOYS & NAUTI GULLS

Reporter: Michele McKay

We are off an sailing....

Our first Pot Luck Dinner, hosted by Valerie and Michael, turned out to be a great time for all of us who attended. Amazing food and company kept the party going well into the late hours of the night (9pm!!)

There were than 30 quirky and interesting options of names for our group and the majority determined that Bad Buoys & Nauti Gullswould best describe us. And, FYI, we do plan on living up to our name the best we can.

A special thank you Linda and Dale for getting us on track to choose our name, Group Leader & Face Book Administrator (Michelle), Reporter (Michele) and next Pot Luck hosts (Martha and Dave).

Other than that, we are keeping pretty busy with bowling and game night, meeting up for dinner, drinks and music and the OUTRAGEOUS and AMAZING Ladies' Luncheon where 3 of us Gulls won raffle prizes! BUOY, we are having one GULL of a time!!

 **NRC MESSAGE FROM THE PRESIDENT**

**September 2016**  
**Pat McCoy**  
**President, Board 98**

Greetings NRC Members and NRC Graduates!

Ah....September! The end of the summer for the rest of the country, but not here! The weather remains fabulous and we continue to enjoy “summer” despite what the calendar says! Just one of the many benefits to living in Paradise!! And, the NRC takes advantage of this great weather by scheduling outside activities for all to enjoy!

The NRC continues to increase in membership! Word of mouth is the best way for folks to hear about our Club, but our Publicity Chairs have also done an outstanding job getting the word out about the NRC. Folks are surprised to hear that we have a 49 year history of creating an environment to make friends and learn about our community. Obviously, the NRC is doing something right!! And this month, more members can join in on the fun!!

September is open enrollment month for the NRC. Any Cape Coral resident, regardless of their length of time living here, can join the NRC. I received numerous phone calls from residents asking about our open enrollment period and expressing interest in our Club. These folks have heard about our Club and the opportunities it provides to participate in activities and make new friends. I am excited to have these folks join us! So, tell your friends and neighbors!! The more, the merrier!!

Finally, I would like to thank Linda Peterson, 1<sup>st</sup> Vice President, and members of the Nominating Committee – Neil Corvene, Pat Yeager, Leslie Schmitt and Tricia Fee-Mainhardt – for recruiting volunteers to fill Board 99 positions. I look forward to presenting the nominees to the general membership and assisting Board 99 in moving our Club into its 50<sup>th</sup> year!

To Friends, Fun and Laughter!
